The School Board of Pinellas County, Florida, prohibits any and all forms of discrimination and harassment based on race, color, sex, religion, national origin, marital status, age, sexual orientation or disability in any of its programs, services or activities.

Purpose
To have every Dixie Hollins High School Culinary Arts student graduate with developed character traits, acquired knowledge, necessary skills and the high values needed to be a successful contributor to our ever changing and increasingly demanding society.

Mission
The mission of the Center for Culinary Arts at Dixie Hollins High School is to promote the interest and welfare of the high school students participating in the Culinary Arts program. Students will learn how to conduct themselves in a confident, professional and ethical manner and will demonstrate procedures using basic and advanced knowledge related to the hospitality industry.

The School Board of Pinellas County, Florida, prohibits any and all forms of discrimination and harassment based on race, color, sex, religion, national origin, marital status, age, sexual orientation or disability in any of its programs, services or activities.
Students will explore different fields of the culinary trade in our recently updated facility. By focusing on hands-on training, students prepare for a dynamic, rewarding career in the food service and hospitality industry. Students will be able to apply their skills easily into new careers upon graduation.

Courses are intensive, practical and updated regularly to reflect current industry trends. Students receive career-oriented instruction in both classic and modern culinary arts with an emphasis on the skills needed to succeed in the industry and postsecondary education.

Our curriculum includes, but is not limited to:
- Industry recognized certifications: SafeStaff and National ProStart Certificate of Achievement.
- Identifying career and job opportunities
- Workplace safety and sanitation
- Skills development
- Culinary competitions
- Use of commercial tools and equipment
- Front-of-the-house duties
- Back-of-the-house duties
- Food identification, selection and purchasing
- Menu development
- Relationship of nutrition and wellness
- Management skills
- Food and beverage preparation
- Catering
