• Four National Merit semifinalist, 2008
• Regional, State and National place winners in HOSA competitions
• Medical Magnet Computer Laboratory
• 95% of the program graduates qualify for Bright Futures Scholarship programs
• High level of participation in Health Occupations Students of America, 300+ members
• Faculty that includes National Board Certified instructors, former Educators of the Year finalists
• Professional Advisory Board provides direction on industry standards and advancements
• Outstanding Parent Medical Magnet Boosters Organization
• More than 100,000 hours of volunteer hours completed by seniors

HOW TO APPLY
Students who live north of Highway 60 must apply to the Center for Wellness at Palm Harbor University High School. Students who live south of Ulmerton Road must apply to the Center for Wellness at Boca Ciega High School. Students who live north of Ulmerton Road and south of Highway 60 may apply to either Center but not both.

TRANSPORTATION
Arterial bus transportation (buses that operate on main roads with a limited number of stops) is provided to students who live more than two miles from the school. Magnet bus stop locations may require that parents drive their children to and from the stop.

ACTIVITIES AND CLUBS
While enrolled in this magnet program students have the opportunity to participate in all sports teams and clubs offered at Palm Harbor University High School including, but not limited to:
• Academic Team
• The Aftermath Yearbook
• Chess Club
• The Eye Newspaper
• Fellowship of Christian Students
• Future Business Leaders of America (FBLA)
• Gay and Straight Alliance
• Health Occupations Students of America
• Hospice Teen Volunteers
• Mu Alpha Theta
• National Honor Society
• Physics Club
• Student Government
• Literary Magazine
• Model UN Club
• Peer Connectors
• Thespians and Youth in Government
• French & Spanish Club/Honor Society
• Quill & Scroll
• Red Cross Club
• Robotics Club
