

Below is the AP Exam Schedule for students who attend Pinellas County public high schools. All PCS students enrolled in an AP class are required to take the AP exam. Per Board Policy, teachers will assign an F for the final exam grade of F in the event a student does not take their AP Exam. If your child is a MyPCS student and you are concerned about in-person testing, please contact your school's AP Coordinator to discuss your concerns. All tests scheduled below will be administered in person.

Note: Non-PCS students (private school, home school, FLVS Full-time, etc.) registered to take an exam through PCS will receive instructions regarding their exam dates/times/locations via email.
