

**AP® Micro/Macroeconomics  
Common Summer Assignment  
Pinellas County Schools**

This assignment was determined by the collective team of AP Macroeconomics and AP Microeconomics teachers in order to strengthen your basic math skills and knowledge of vocabulary that are important to your success in the course.

*Should you have questions or if you would like support with this assignment, please refer to your PCS student email account for information about the AP Summer Assignment Support Sessions (AP SASS) that will be held July 31-August 1 at various locations. You can access your student email account by going to [www.office.com](http://www.office.com) and using your PCS username and password to login.*

Students must provide written evidence of their work for each of the following three tasks.

- 1) Browse the list of terms and highlight/identify terms you are familiar with and identify ten terms you would like to learn more about. Write these terms down for use in class.
