ABOUT US

Clearwater Fundamental Middle opened in 2009 due to the need to expand the program formerly known as Coachman Fundamental. Now located on the former campus of Kennedy Middle School, Clearwater Fundamental continues to offer a challenging academically focused curriculum. Limited to 850 seats, CFMS remains smaller than most surrounding middle schools. Great efforts are made to provide a safe learning environment by creating a strong relationship among parents, students, faculty, staff and the greater school community.
