

During the Late Application Period, initial geographic application area restrictions, highlighted below in yellow, have been lifted for several programs with seat availability. This means students countywide can apply to these programs, as long as the program's entrance criteria (if any) are met. **Parents of students participating in these programs must provide transportation for their child if they live outside the initial application area.** Available seats are as of 3-13-2018. The number of seats available may change at any time as applications and acceptances are completed on an ongoing basis.
