New Student Registration and School Choice Options

The best source of information regarding New Student Registration and all other school choice options is the Student Assignment Web Site. https://www.pcsb.org/Registration. Parents can also always call the Student Assignment Office at 727-588-6210 for additional assistance.

**Parent/Portal ID and Password**

Almost all student registration, assignment, and school choice options are done online using a Parent/Portal ID and Password. You can obtain an ID and password by going to any Pinellas County School and presenting a valid photo ID. All your children are linked to the same Parent/Portal ID, so you only need one. Be sure to request all your children be linked to your ID when being issued your Parent/Portal ID. More information can be found at; https://www.pcsb.org/Page/3969.

**Zoned Schools**

Pinellas County Schools operates as a “zoned school district,” meaning that each student is assigned a zoned school based on their residential address. We have an online tool, the “Zoned School Locator,” on our website to find the zoned schools for each address. https://sap.pinellas.k12.fl.us/PubInfony/. This site can be very helpful when looking to purchase or rent a home/apartment. We recommend using this tool rather than relying on Real Estate or Rental Agents for school information. Zoned school students receive bus transportation provided they live more than 2 miles from the school.

**School Choice Options**

There are 3 main school choice options in Pinellas County Schools.

1. **District Application Programs (DAP)** are our magnet, fundamental, and high school career programs. These are all “application only programs/schools.” Parents must apply during the annual DAP Application Period and then log back in during the DAP Annual Acceptance Period. For the 2018-2019 school year the Application Period is January 10 -19, 2018. The Acceptance Period will be February 14-21, 2018. Students attending a DAP receive “arterial” bus transportation, meaning the buses run along major roads in the county and some programs have restricted geographic application/transportation areas based on the residential address. For more information visit https://www.pcsb.org/Choice.

2. **Special Assignment Requests (SAR)** are to request a non-zoned school that is NOT a magnet, fundamental, or high school career program. Children must be “fully enrolled” at their zoned school to make a SAR. The annual application period occurs each April for the following school year. For the 2018-2019 school year the application period is April 2-16, 2018. SARs are granted 3 times during the summer; initially in late May prior to the end of the current school year, then once again in late June and finally late July/early August prior to the start or school. Students attending a non-zoned school on a SAR must provide their own transportation. Each year some schools are designated as “filled to capacity” and no or very few SARs are granted to those schools. A list of the school designated as “filled to capacity” is posted on the Student Assignment web site. For more information visit https://www.pcsb.org/Registration.

3. **Special Attendance Permits (SAP)** are for residents of other counties to apply for a seat at a Pinellas County School. This is a paper application that can be found on the Student Assignment website and parents are responsible for transportation. https://www.pcsb.org/Registration.
