Pencil box to hold supplies. (large)

Multiple boxes of tissues.

Lysol wipes and Lysol spray.

One composition notebook – to do homework in.

Several glue sticks – these do not last long.

One pack of Expo markers – they will be doing work on white boards. (and eraser too would be good)

Sticky tac

Band-aids

One box of large, sandwich size, and snack size Ziploc bags.

Hand sanitizer and/or Hand soap.

(We have an over abundance of pencils left over so we do NOT need pencils. I have enough for everyone for the whole year! 😊)

PS. We could use snacks for each day. The scholars get hungry! If you send it they will eat it.....if not they will just have lunch. Any other school supplies or anything for the class would be wonderful and appreciated. Thank you!
