

PRACTICAL NURSING (PN) PROGRAM
ST. PETERSBURG TRADITIONAL CLASS
General Information and Admissions Packet
September 11, 2017

The purpose of the Practical Nursing Program is to provide training for employment in the health care industry. Graduates complete courses in caring for medical and surgical patients. Included in the program are courses that are designed to instruct students in the care of pediatric, obstetric, and geriatric patients, as well as convalescent, physically challenged, and rehabilitative physical and/or mental patients. Graduates are prepared to function within the rules and regulations as defined by the Florida State Board of Nursing.

The program length at Pinellas Technical College (PTC) is 1350 hours. The first 450 hours of the program include classroom theory, laboratory experiences, and selected clinical experiences. A more detailed explanation of essential job functions is included in this packet. Upon successful completion of the program, graduates are eligible to sit for the national examination, which qualifies them as a Licensed Practical Nurse.

Students entering the program will complete 675 clock hours in theory and 675 clock hours in clinicals that will take place interchangeably over the 15 months of enrollment. We are unable to accommodate students wanting to participate in clinicals at sites other than those approved for our use locally.

September 11, 2017 is a Traditional class on the St. Petersburg campus which meets Monday through Friday from 7:00 AM – 12:15 PM.

The Practical Nursing Program is supervised by the Pinellas County School Board and the Department of Education. It is governed by the Standards established by the **Florida State Board of Nursing**, which include the number of program hours, the curriculum, and the types of clinical learning experiences that the student will successfully complete.

This admissions packet is valid only for the September 11, 2017 St. Petersburg Traditional class. An Admissions Seminar will be held on Wednesday, June 7, 2017 at 5:30 PM on PTC-St. Petersburg Campus, Media Center.

Please follow these steps to start completing the application:

- Step 1: Print out all pages and carefully read through the packet, making note of any questions you have. Review the FAQs for the Practical Nursing admissions process.
- Step 2: If you feel comfortable, begin to complete the forms in the packet.
- Step 3: Bring the packet and your questions to the Admissions Seminar on Wednesday, June 7, 2017 at 5:30 PM on the PTC-St. Petersburg campus, Media Center.

Please note...Accepted Pinellas Technical College PN students must complete a 10 Panel Drug Screening

Details about required lab and drug screening guidelines and a timeline will be given to those students accepted to start the PN program.

- **Drug Screening must be completed within 30 days of the class start date.** See your counselor for details.
- **Students who fail the Drug Screening will be automatically withdrawn from the program and not allowed to seek enrollment again for one entire fee term or until the next start date, whichever is sooner.**
- Students who withdraw must resubmit and clear a new Drug Screening at the time of Re- Admission, within 30 days of the new start date.

Traditional Practical Nursing Program Application Packet Checklist

Step One:	Carefully review the Essential Functions form. You must be able to perform all of the essential functions either with or without reasonable accommodations. Please inform the PN admissions counselor if you will be requesting accommodations.
Step Two:	Take the Test of Adult Basic Education (TABE) and consult with a PTC counselor regarding scores. The minimum score required is 11.0 in Reading, Language and Math on the "A" Level test.
	Or
	Consult with a PTC counselor on valid and current TABE scores (within the past two years) from another school or organization
	Or
	Consult with a PTC counselor providing proof of an Associates of Applied Science or higher degree from an approved U.S. accredited institution
Step Three:	Take the Test of Essential Academic Skills (TEAS). Information on the TEAS may be obtained from the Website www.atitesting.com or by calling 1-800-667-7531. Your Adjusted Individual Total Score must be at least 56% on the version V test to apply for admission to the program. This score does not guarantee the student a seat.

Criminal Background Check and Drug Screening Disclaimer

Background screenings are required for employment in the Health Care industry and to take licensing exams in the medical professions. Disqualifying offences may be a history of felony and/or misdemeanor convictions or substance abuse. It is your responsibility as a program applicant/participant to understand all disqualifying offenses that may impact your ability to become employed in the health care field or enroll/remain in a health care program at an educational institution.

You can find additional information at the Florida Department of Health website. For Nursing/CNA inquiries go to, <http://www.doh.state.fl.us/mqa/nursing> or for Pharmacy student inquiries please check: <http://www.doh.state.fl.us/mqa/pharmacy/info-ptfaq-pdf>.

As a prospective student applying to a Health Science program at PTC, **I fully understand that if my background check reveals any disqualifying offences or the drug screening indicates a positive result, I will not be allowed to enter the program in which I am applying and I may be withdrawn if I have already started.** If the withdrawal occurs within the first 50 hours, the student will receive a refund as allowed according to school policy. If the dismissal occurs after the first 50 hours, the student will not be entitled to a refund.

Passing the background check and drug screening does not guarantee certification or registration in the field you have chosen.

To begin the fingerprinting process, you will need to supply EZ Finger Prints with a valid driver’s license and social security card. Identify yourself as a Pinellas Technical College student. You do not need to know the ORI or OCA code numbers.

Prints are taken using the Live Scan, which scans the fingerprints electronically. No need for messy black ink.

Once the fingerprints are scanned, we send them to the FDLE, which then sends them to the appropriate governing agency, i.e. AHCA or DCF. No need for mailing.

The fingerprinting process results take approximately 7-14 days, depending on the agency.

You may walk in or schedule an appointment with EZ Finger Prints at www.ezfingerprints.com or visit one of the following locations:

- **A+ Fingerprints, LLC**

3641 Tyrone Blvd
Suite 3
St. Petersburg, FL 33710
727-233-8804

- **EZ Finger Prints**

1715 Eastbay Drive
Suite B (Inside the Lakeside Professional Building),
Largo, Florida, 33771
727 479-0805

The cost is \$45.00. Cash, personal checks, and credit cards are accepted. (VISA, MC, AmX)

Please specify that you are applying to a HEALTH EDUCATION PROGRAM

We cannot determine if previous offences will or will not clear the background check. The results will be sent directly to the School Board’s Administration Building and you will be contacted only if there is a problem.

* Varicella titer is a blood test for antibodies to Chickenpox. We are finding that even if a student had Chickenpox, he may not have the antibodies to protect him from the disease as an adult. The blood test is necessary if students cannot document the 2 vaccines. If the test comes back negative then the student must have the 2 vaccinations prior to entering a clinical area. You may obtain further information from the web site: CDC.GOV. Click on V-Varicella. Please allow two months prior to clinicals to begin the blood testing process.

DECLINATION OF HEPATITIS VACCINE

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B Virus (HBV) infection. I have been advised to be vaccinated with HBV at my own expense. However, I decline the Hepatitis B Vaccine at this time or have not completed the vaccination series. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B Vaccine, I can receive the vaccination at my own expense.
