

**CLEARWATER HYBRID-ONLINE CLASS
PRACTICAL NURSING (PN) PROGRAM**
General Information and Admissions Packet
November 27, 2017

The purpose of the Practical Nursing Program is to provide training for employment in the health care industry. Graduates complete courses in caring for medical and surgical patients. Included in the program are courses designed to instruct students in the care of pediatric, obstetric, and geriatric patients, as well as convalescent, physically challenged, and rehabilitative physical and/or mental patients. Graduates are prepared to function within the rules and regulations as defined by the Florida State Board of Nursing.

The program length at Pinellas Technical College (PTC) is 1350 hours. The first 450 hours of the program include classroom theory, laboratory experiences, and selected clinical experiences. A more detailed explanation of essential job functions is included in this packet. Upon successful completion of the program, graduates are eligible to sit for the national examination, which qualifies them as a Licensed Practical Nurse.

Students entering the program will complete 675 clock hours in theory and 675 clock hours in clinicals that will take place interchangeably over the 15.5 months of enrollment. We are unable to accommodate students wanting to participate in clinicals at sites other than those approved for our use locally.

Clearwater November 27, 2017 is a Hybrid-Online class:

The Hybrid-Online program is exactly like the traditional on-site program with two exceptions:

1. The 675 hours of academic theory are delivered via computer with a minimal number of face-to-face meetings. **The intermittent, face-to-face meetings will be held in the evenings at a location to be determined. These class sessions are usually on scheduled weeknights after 3:00 p.m. Weeknight clinicals or live labs are scheduled usually 3:00 PM – 9:45 PM.**
2. The 675 clinical hours are scheduled as much as possible on week-ends and/or evenings at various locations throughout, in and around the county. Weekend clinicals are 10/12 hours shifts. While this schedule can change, the instructors will notify students of clinical dates and times after enrollment.

PN students entering the program are expected to have their own personal computer access. The PN program has many demands that require the student to use a computer away from school.

The Practical Nursing Program is supervised by the Pinellas County School Board and the Department of Education. It is governed by the Standards established by the **Florida State Board of Nursing**, which include the number of program hours, the curriculum, and the types of clinical learning experiences that the student will successfully complete.

This admissions packet is valid only for the November 27, 2017 Clearwater Hybrid-Online class. An Admissions Seminar will be held on Wednesday, September 13th, 2017 at 5:30 PM at PTC-Clearwater Campus, Culinary, Building #2.

Please follow these steps to start completing the application:

- Step 1: Print out all pages and carefully read through the packet, making note of any questions you have. Review the FAQs for the Practical Nursing admissions process.
- Step 2: If you feel comfortable, begin completing the packet forms.
- Step 3: Bring the packet and your questions to the Admissions Seminar on Wednesday, September 13, 2017 at 5:30 PM at the PTC-Clearwater campus – Culinary, Building #2.

Hybrid-Online Practical Nursing Program Application Packet Checklist

Step One	Complete electronic Free Application for Federal Student Aid (FAFSA) www.fafsa.gov . Applicants should have financial aid in place or be working on getting the program paid for at the time the application packet is submitted.
Step Two:	Carefully review the Essential Functions form. You must be able to perform all of the essential functions either with or without reasonable accommodations. Please inform the PN admissions counselor if you will be requesting accommodations.
Step Three:	Take the Test of Adult Basic Education (TABE) and consult with a PTC counselor regarding scores. The minimum score required is 11.0 in Reading, Language and Math on the "A" Level test.
	Or
	Consult with a PTC counselor on valid and current TABE scores (within the past two years) from another school or organization
	Or
	Consult with a PTC counselor providing proof of an Associates of Applied Science or higher degree from an approved U.S. accredited institution and other exemptions
Step Four:	Take the Test of Essential Academic Skills (TEAS) Version 6. Information on the TEAS may be obtained from the Website www.atitesting.com or by calling 1-800-667-7531. Your Adjusted Individual Total Score must be at least 56% on the test to apply for admission to the program. Students can mix highest content area scores to obtain 56% minimum. This score does not guarantee the student a seat. NOTE: Unexpired Version 5 TEAS results may be used. TEAS Scores are valid for 2 years from the class start date.
Step Five:	Applicants may bring packets and any questions pertaining to our application process to the Admissions Seminar on Wednesday, September 13, 2017 at 5:30 PM at PTC-Clearwater campus – Culinary, Building #2. The Admissions Seminar is recommended not required.
Step Six:	Take the Web-based Readiness for Education At a Distance Indicator (READI) assessment. There is no charge for this assessment. This is not a pass/fail assessment, but is required for all applicants. Go to the Applications, Forms, Etc. page to download additional information on the READI assessment. Website Address: http://myptec.smartermeasure.com/ Username: ptec Password: nursing After completing the assessment, print out your score report and include a copy of the first two pages in your application packet.

Step Seven:	<ol style="list-style-type: none"> 1 Copy of the completed Program Application 2 Copy of TABE scores if applicable or copy of documentation of Associate of Applied Science Degree or higher from an approved accredited U.S. educational institution 3 Copy of TEAS scores – 56% or higher 4 Copy of the first two pages of your READI score report (Summary and Graphs pages) 5 Copy of standard high school diploma or high school transcript or GED. Criminal Background Check and Drug Screening
Disclaimer

Background screenings are required for employment in the Health Care industry and to take licensing exams in the medical professions. Disqualifying offences may be a history of felony and/or misdemeanor convictions or substance abuse. It is your responsibility as a program applicant/participant to understand all disqualifying offenses that may impact your ability to become employed in the health care field or enroll/remain in a health care program at an educational institution.

You can find additional information at the Florida Department of Health website. For Nursing/CNA inquiries go to, <http://www.doh.state.fl.us/mqa/nursing> or for Pharmacy student inquiries please check: <http://www.doh.state.fl.us/mqa/pharmacy/info-ptfaq-pdf>.

As a prospective student applying to a Health Science program at PTC, **I fully understand that if my background check reveals any disqualifying offences or the drug screening indicates a positive result, I will not be allowed to enter the program in which I am applying and I may be withdrawn if I have already started.** If the withdrawal occurs within the first 50 hours, the student will receive a refund as allowed according to school policy. If the dismissal occurs after the first 50 hours, the student will not be entitled to a refund.

Passing the background check and drug screening does not guarantee certification or registration in the field you have chosen.

To begin the fingerprinting process, you will need to supply EZ Finger Prints with a valid driver's license and social security card. Identify yourself as a Pinellas Technical College (PTC) student. You do not need to know the ORI or OCA code numbers.

Prints are taken using the Live Scan, which scans the fingerprints electronically. No need for messy black ink.

Once the fingerprints are scanned, we send them to the FDLE, which then sends them to the appropriate governing agency, i.e. AHCA or DCF. No need for mailing.

The fingerprinting process results take approximately 7-14 days, depending on the agency.

You may walk in or schedule an appointment with EZ Finger Prints at www.ezfingerprints.com or call 727 479-0805.

EZ Finger Prints is located at 1715 Eastbay Drive, Suite B (Inside the Lakeside Professional Building), Largo, Florida, 33771.

The cost is \$45.00. Cash, personal checks, and credit cards are accepted. (VISA, MC, AmX)

PTC cannot determine if previous offences will or will not clear the background check. The results will be sent directly to the School Board's Administration Building and you will be contacted only if there is a problem.

* Varicella titer is a blood test for antibodies to Chickenpox. We are finding that even if a student had Chickenpox, he may not have the antibodies to protect him from the disease as an adult. The blood test is necessary if students cannot document the 2 vaccines. If the test comes back negative then the student must have the 2 vaccinations prior to entering a clinical area. You may obtain further information from the web site: CDC.GOV. Click on V-Varicella. Please allow two months prior to clinicals to begin the blood testing process.

DECLINATION OF HEPATITIS VACCINE

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B Virus (HBV) infection. I have been advised to be vaccinated with HBV at my own expense. However, I decline the Hepatitis B Vaccine at this time or have not completed the vaccination series. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B, a serious disease. If in the future, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with Hepatitis B Vaccine, I can receive the vaccination at my own expense.

Health Screening Form Practical Nursing Program Questions and Answers

YOUR HEALTHCARE PROVIDER MUST SIGN THE HEALTH SCIENCE EDUCATION FORM, although there is no designated place to sign.

What tests or immunizations are required for practical nursing students?

The following are required:

- Tuberculosis
- Rubella (German Measles)
- Rubeola (10-day measles)
- Varicella (Chicken Pox)
- Tetanus
- Diphtheria
- Hepatitis B

A negative drug test 30 days before the class start date is required only if the student has been accepted. Hepatitis C immunization are **not required** for practical nursing students. This is being considered.

When do I need to submit the completed Health Screening form and official documentation?

All documentation, except for the second TB skin test must be included in the application packet submitted by the stated deadline. The second TB skin test or x-ray will need to be done after you have been in class for approximately three weeks. If you are declining the Hepatitis B Vaccine, you need to sign the form and have it witnessed by a Pinellas County Schools Representative. **It can take up to two weeks for some test results to come back or you may need to wait several week between injections so it is strongly recommended that you start this process as soon as possible so that you can meet the stated deadline. You will not be admitted to class unless all required documentation has been received.**

Please note that a copy of a bill from a healthcare provider is **not acceptable** proof of immunizations.

What documentation do I need to include?

- **Tuberculosis**

You need to provide a copy of the negative results of the Mantoux (dated within 12 months prior to the start of class), or if you have had the disease, a Doctor's statement regarding the prescribed medication you are taking or have completed.

Everyone will need either a chest x-ray or negative Mantoux within 30 days of starting clinical experience. Your instructor will inform you of the acceptable dates.

- **Rubella**

If you have had the disease, you need to provide documentation of a positive titer (blood test) showing the presence of antibodies in your system. A Doctor's statement that you have had the disease is **NOT** sufficient. If the titer is negative (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations.

You may also provide documentation of having the appropriate immunizations based on your age. Refer to the Health Screening for Health Science Education form to determine the immunizations you need.

- **Rubeola**

If you were born prior to 1957 you do not need to provide documentation.

If you have had the disease, you need to provide documentation of a positive titer (blood test) showing the presence of antibodies in your system. A Doctor's statement that you have had the disease is **NOT** sufficient. If the titer is negative (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations.

You may also provide documentation of having the appropriate immunizations based on your age. Refer to the Health Screening for Health Science Education form to determine the immunizations you need.

- **Varicella**

If you have had the disease, you need to provide documentation of a positive titer (blood test) showing the presence of antibodies in your system. A Doctor's statement that you have had the disease is **NOT** sufficient. If the titer is negative (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations.

You may also provide documentation of having the appropriate immunizations based on your age when you received the immunizations. Refer to the Health Screening for Health Science Education form to determine the immunizations you need.

- **Tetanus and Diphtheria**

You need documentation that you have had the injections within the last ten years.

- **Hepatitis B**

You need documentation of having had the three required injections, or a copy of a blood test showing the presence of antibodies. You may also choose to decline the Hepatitis B vaccine by signing page 2 of the Health Screening for Health Science Education form and having it witnessed by a Pinellas County Schools representative.

Where should I go to get the immunizations and blood tests?

You can go to your primary care physician or to any county health department.

Influenza Vaccination Notice

I understand that as a student in a Health Occupations Education Program, and being in contact with patients during the flu season, I will need to follow the hospital requirements.

Students need to provide proof of receiving a flu vaccination to their instructor, so it can be submitted to the hospital prior to November 30.

Those who decline to receive a flu vaccination will be required to wear a surgical mask while at clinical from December 1 to March 31.

I accept full responsibility for:

- All costs incurred for any immunizations.
- Time missed from school as result of immunization or exposure.

I ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND, AND HAD AN OPPORTUNITY TO ASK QUESTIONS.
