Program Overview & Deadlines (1 of 2)

Pharmacy Technician

Pharmacy Technician

Mission

Our mission is to prepare students for employment as certified pharmacy technicians by developing quality skills and competencies while utilizing the latest technology.

Length 1,050 Hours

Objective This program prepares students to work in retail, community, hospital, home infusion, mail order and long-term care pharmacies. All of our students are expected to take a national certification exam from the Pharmacy Technician Certification Board (PTCB) upon completion of the program. Students must be eligible to register with the Florida Board of Pharmacy. Program completers who wish to work as Pharmacy Technicians must register with the Board of Pharmacy (565.014.F.S.). Important information, regarding Pharmacy Technician registration in the State of Florida, can be found at: <https://floridaspharmacy.gov/licensing/registered-pharmacy-technician/>

Program (H170500) consists of a planned sequence of courses

- **Basic Healthcare Worker** – Course HSC0003 (90 hours) – Instruction covers basic health care and safety procedures, employability skills, communication, interpersonal skills, finance and computer literacy, health care organizations and delivery systems, ethics, wellness and disease concepts, infection control, blood borne diseases, team work, leadership, health care roles, organizational structure, environmental management systems, and medical math and science.
- **Pharmacy Technician, 1 of 3** – Course PTN0084 (360 hours) – Course content includes the practice of human relations, medical and legal considerations, pharmaceutical abbreviations and terminology, clerical duties, pharmaceutical chemistry and drug classification, inventory management, disposal of pharmaceutical waste, and pharmaceutical calculations.
- **Pharmacy Technician, 2 of 3** – Course PTN0085 (300 hours) – This course includes pharmaceutical chemistry, electrolyte balance, general class, dose, routes, action, and side effects of drugs; pharmaceutical preparations, recording data, and automation, and concludes with an outpatient experiential practicum.
- **Pharmacy Technician, 3 of 3** – Course PTN0086 (300 hours) – This course includes unit dose medication packaging, and intravenous admixture, and concludes with an institutional inpatient experiential training.

Special Admission Requirements

A High School Diploma, or a GED, is required for this program. Other, specific health occupations admission guidelines (immunizations, drug screening, background check, etc.) are listed in this application packet. Students enrolled in the program must be 18 years of age at the time of graduation from the program. For up-to-date information from the Florida Department of Health (Department of Pharmacy), regarding eligibility for registration, visit: <http://www.floridahealth.gov/licensing-and-regulation/latest-laws/index.html>

Getting Started *(Completing the Health Science Application Packet)*

Important information, and steps for the application process, listed below.

- Print out ALL pages and CAREFULLY READ through the ENTIRE packet:
 - Review the Health Science Application Process, Dates & Deadlines
 - Make note of any questions you may still have
- If you feel confident about the process, start completing the steps/forms in the packet
- If you are unsure about ANY step of the process, contact Mrs. Arilee Still, the Admissions Counselor who works with this program at stilla@pcsb.org.

Application Notes & Tips:

- Applicants should follow the steps of the application process in the order given.
- Applicants should use the Checklist of Required Items to ensure ALL application packet items are accounted for, and in their proper order, before submitting the packet for consideration.
- Please paperclip all items together; no elaborate cover or folder is required to submit a packet. Most importantly the packet contents should be neat, and in order, when submitting for consideration.
- **Accepted applicants will be required to provide proof of their own medical insurance.**
- Applicants who have completed Health related training elsewhere (and want that training to be considered) must include an Official Transcript, from the previous school, when applying to this program.
- **Applicants wishing to take advantage of the blended online learning option must have consistent access to working computer equipment (with Internet connectivity, required software, etc.).**
- **While preparing the application packet for completion, applicants should have established financial aid, and/or have secured program payment.**

Application Process (2 of 3)

Pharmacy Technician

Next Steps

01] Free Application for Federal Student Aid (FAFSA) – *Complete now, online. Visit www.fafsa.gov*

Applicants should have their financial aid established, and/or secured payment for tuition, supplies and fees, at the time application packet is submitted. **Federal School Code for PTC-St. Petersburg Campus: 013917**

02] Essential Job Functions – *Review and complete now*

Applicants must be able to perform ALL of the essential functions either with, or without, reasonable accommodations. Please inform the admissions counselor if you will be requesting accommodations.

03] Comprehensive Adult Student Assessment Systems (CASAS) Test and/or Test of Adult Basic Education (TABE) – *Take test(s) ASAP*

Consult with a PTC counselor regarding test scores.

Basic Skills [*Minimum Qualifying Test Scale Scores (SS)]*

CASAS — Reading: 249, Math: 245 and TABE — (A Level 11/12) Language: 631
TABE — (A Level 9/10) Math: Grade 11, Language: Grade 11, Reading: Grade 11
TABE — (A Level 11/12) Math: ≥ 657, Language: ≥ 631, Reading: ≥ 617
Wonderlic Basic Skills — Verbal: 11 (297), Quantitative: 11 (288)

OR – Consult with a PTC Counselor to explore acceptable testing exemptions:

- Submission of valid/current TABE, or Wonderlic, test scores from another school or organization (taken within the past two years).
- Submission of Official Transcripts of an Associates of Applied Science, or higher degree, from an approved U.S. accredited institution.

04] Test of Essential Academic Skills (TEAS) – *Take test ASAP*

Learn more about the TEAS at www.atitesting.com, or 1.800.667.7531. **Adjusted Individual Total Score must be at least 56% to apply for admission to the program** (this score does not guarantee the student a seat). Students may request to mix highest content area scores, to obtain the 56% minimum, between several *unexpired* tests. The TEAS may be taken at a PTC Testing Lab. Students testing off-site must contact ATI directly, to pay the required Score Transfer Fee, in order to have the official scores emailed to the PTC Pharmacy Technician Counselor at St. Petersburg Campus: stilla@pcsb.org (Arilee Still)

05] Instructor Interview – *Schedule and attend, with your questions*

An Instructor Interview is mandatory for this program; DUE TO COVID, students must complete the instructor interview virtually. Contact Ms. Bert Haker at hakerb@pcsb.org for a virtual session. For any other questions about the PTC application process please contact Mrs. Arilee Still, Admissions Counselor at 727.893.2500 x 2523 or email stilla@pcsb.org

06] Readiness for Education at a Distance Indicator (READI) — *Take online assessment*

This free assessment measures learner readiness for taking online and/or technology rich courses. READI is not a pass/fail assessment, rather it provides a score report to help learners understand their strengths and opportunities for improvement. Take the READI assessment by visiting <http://myptec.smartermeasure.com/> and logging in with **Username: ptec Password: nursing** Once complete, print out your score report and include copies of the first two pages in your application packet.

Instructor Interview/Admission Seminar

FAQ & Notes

Instructor Interviews and/or Admission Seminars are

provided at Pinellas Technical College because we want you to be successful in your chosen technical program. Instructors are generally available to meet incoming students (in scheduled interviews) and answer questions about their specific program. The purpose of both the interview, and admission seminar, is to provide you with additional information about the program. Please ask as many questions as you wish; some common topics are listed below.

Interview/Admission Seminar FAQ

- What is the length of the program and what will I be required to learn?
- What is the cost of books, tools, and materials and when will they be needed?
- How are the classes taught (lecture, demonstrations, hands-on experiences)?
- What will be expected of me while in the program?
- What, and where, are the job opportunities in this technical field?
- Do you assist with job placement?
- What is the starting pay? What is the range of earnings?
- Is there a final examination, certification, or licensing required to be employed in this field?
- What is the graduation rate for this program?

Readiness for Education At a Distance Indicator (READI) – Assessment

This free assessment measures learner readiness for taking online and/or technology rich courses. The READI assessment is an indicator of the degree to which distance learning will be a good fit for you.

- READI is not a pass/fail assessment; there is no penalty for guessing
- READI score report helps learners understand their strengths and opportunities for improvement
- READI website also offers resources that will help you prepare for success as a distance learning student
- READI assessment is free of charge
- As the applicant for this program, it is imperative that you **complete the READI assessment by yourself...** without assistance from any other persons
- **To take the READI assessment:**
 - Visit <http://myptec.smartermeasure.com/>
 - **Username: ptec**
 - **Password: nursing**
- **Once the assessment is complete**
 - **Print out your score report and**
 - **Include copies of the first two pages in your application packet**

Background Check & Drug Screening Information & Disclaimer

By law, criminal background checks and drug screenings are required for employment in the health care industry and to take licensing exams for the medical professions.

Disqualifying offenses may be a history of felony and/or misdemeanor convictions or substance abuse. It is your responsibility as a program applicant/participant to understand all disqualifying offenses that may impact your ability to become employed in the health care field or enroll/remain in a health care program at an educational institution.

Additional information can be found online on *Florida Department of Health* websites:

- **Nursing/CNA** student inquiries > <https://floridasnursing.gov/certified-nursing-assistant-faqs/background/>
- **Pharmacy** student inquiries > <https://floridaspharmacy.gov/registered-pharmacy-technician-faqs/>

I fully understand that, as a prospective student applying to a Health Science program at Pinellas Technical College,

- **If my background check reveals any disqualifying offenses or the drug screening indicates a positive result, I will not be allowed to enter the program to which I am applying and I may be withdrawn, if I have already started.**
 - If the withdrawal/dismissal occurs within the first 50 hours, I will receive a refund as allowed according to school policy.
 - If the withdrawal/dismissal occurs after the first 50 hours, I will not be entitled to a refund.
- **Passing the background check and drug screening does not guarantee certification, or registration, in the field I have chosen.**
- ***I am aware that the Level 2 Background Check and 10 Panel drug screening are specific to my enrollment at Pinellas Technical College as a student. These screenings will be required of me for re-registration should there be any interruption in my enrollment.***

I acknowledge that I have read and understand the above disclaimer and information.

*Depending on requirements of clinical site.

I. TUBERCULOSIS

- A. 2 TB skin tests (Mantoux), 1 within past year and 1 within 30 days prior to clinical experience, **OR**
- B. 2 TB skin tests (Mantoux), 1 week apart 30 days prior to clinical experience, **OR**
- C. negative chest x-ray within 30 days of clinical experience, **OR**
- D. taking or have completed a prescribed medication **OR**
- E. documentation of negative IGRA blood test

II. RUBELLA (German measles)

If under 40 years of age:

- A. positive Rubella serology, **OR**
- B. immunization with live vaccine since January 1, 1980, **OR**
- C. 2 immunizations with live vaccine after 12 months of age

If over 40 years of age:

- D. positive Rubella serology, **OR**
- E. Measles, Mumps, Rubella (MMR) vaccine after 1970

III. RUBEOLA (10 day measles)

- A. born prior to 1957, **OR**
- B. positive Rubeola serology, **OR**
- C. immunization with live vaccine since January 1, 1980, **OR**
- D. 2 immunizations with live vaccine after 12 months of age

IV. VARICELLA (Chickenpox)

- A. 1 vaccine, if administered under age 13, **OR**
- B. 2 vaccines, 4-8 weeks apart, if administered 13 years of age or older, **OR**
- C. positive Varicella serology (allow 2 months for blood testing process)

Varicella titer is a blood test for antibodies to Chickenpox. We are finding that even if a student had Chickenpox, he may not have the antibodies to protect him from the disease as an adult. The blood test is necessary if students cannot document the 2 vaccines. If the test comes back negative then the student must have the 2 vaccinations prior to entering a clinical area. You may obtain further information from the web site: CDC.GOV. Click on V-Varicella. Please allow two months prior to clinicals to begin the blood testing process.

What tests or immunizations are required for Pharmacy Technician students?

The following tests/immunizations are required:

- Tuberculosis
- Rubella (German Measles)
- Rubeola (10-day Measles)
- Varicella (Chicken Pox)
- Tetanus
- Diphtheria
- Hepatitis B

When do I need to submit the completed Health Screening form and official documentation?

All documentation, except for the second TB skin test, must be included in the application packet submitted by the stated deadline. The second TB skin test or x-ray will need to be done after you have been in class for approximately three weeks. It can take up to two weeks for some test results to come back or you may need to wait several week between injections. Therefore, it is strongly recommended that you start this process as soon as possible so that you can meet the stated deadline. You will not be admitted to class unless all required documentation has been received.

Note: A *copy of a bill from a healthcare provider is unacceptable as proof of immunizations.*

Which diseases must I provide test/immunization documentation for?

- **Tuberculosis** – You need to provide a copy of the **negative** results of the Mantoux (dated within 12 months prior to the start of class), or if you have had the disease, a Doctor's statement regarding the prescribed medication you are taking or have completed. **Note: All students will need either a chest x-ray, or negative Mantoux, within 30 days of starting clinical experience.** Your instructor will inform you of the acceptable dates.
- **Rubella** – If you have had the disease, you need to provide documentation of a **positive** titer (blood test) showing the presence of antibodies in your system. A **Doctor's statement**, that you have had the disease, **is insufficient**. If the titer is negative (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations. **Note: You may also provide documentation of having the appropriate immunizations, based on your age.** Refer to the Health Screening for Health Science Education form to determine the immunizations you need.
- **Rubeola** – If you were born prior to 1957 you do not need to provide documentation. If you have had the disease, you need to provide documentation of a **positive** titer (blood test) showing the presence of antibodies in your system. A **Doctor's statement** that you have had the disease **is insufficient**. If the titer is negative (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations. **Note: You may also provide documentation of having the appropriate immunizations, based on your age.** Refer to the Health Screening for Health Science Education form to determine the immunizations you need.
- **Varicella** – If you have had the disease, you need to provide documentation of a **positive** titer (blood test) showing the presence of antibodies in your system. A **Doctor's statement** that you have had the disease **is insufficient**. If the titer is **negative** (meaning the antibodies are not present in your system), you will need to provide documentation that you have received the appropriate immunizations. **Note: You may also provide documentation of having the appropriate immunizations based on your age when you received the immunizations.** Refer to the Health Screening for Health Science Education form to determine the immunizations you need.

Health Screening for Health Science Education

FAQ (2 of 2)

Note: Your Health Screening for Health Science Education form must be signed by your healthcare provider.

- **Tetanus & Diphtheria** – You need documentation that you have had the injections within the last ten years.
- **Hepatitis B** – You need documentation of having had the three required injections, or a copy of a blood test showing the presence of antibodies.

Where should I go for the immunizations and blood tests?

You can go to your primary care physician or to any county health department:

- Pinellas County: www.pinellashealth.com
- Pasco County: www.doh.state.fl.us/chdpasco/default.html

Influenza Vaccination

Proof of Immunization

I fully understand that, as a student in a Health Science program at Pinellas Technical College, and being in contact with patients during the influenza (flu) season, I will need to follow the hospital requirements.

- Students must provide proof of receiving an influenza vaccination to their instructor, so that it can be submitted to the hospital (prior to November 30).
- Students who decline receiving an influenza vaccination, or fail to provide proof of same, will be required to wear a surgical mask while at clinical (from December 1 to March 31).

I accept full responsibility for:

- All costs incurred for any/all immunizations.
- Time missed from school as result of immunization or exposure.

I acknowledge that I have read and understand the above vaccination information and have had the opportunity to ask related questions.

Confidentiality Statement

Pinellas Technical College

The Health Science programs at Pinellas Technical College expect their students to represent the school in a manner that reflects high standards of personal integrity, education and service to patients.

I understand that, as a student in the *Central Sterile Processing, Dental Assisting, Medical Coder/Biller, Pharmacy Technician or Surgical Technology* program, I will conduct myself according to the highest ethical standards. Underlying principles are based on common courtesy and ethical/moral behavior. These are essential for me to grow professionally and to receive the desired trust and respect of all members of the health care profession.

I agree to the following items:

- I will not discuss patients, or any identifying data, in public settings such as cafeterias, elevators, hallways, over the phone, with family or friends, with other patients, or where patients might overhear me.
- Discussion of my patient should only occur in approved settings, such as, giving or taking reports or in clinical conference.
- I will use patient initials in all discussions and on written documents.
- I will destroy all notes and computer generated papers after completing my daily assignment.
- To protect the integrity of the medical record I will not photocopy material from the medical record.
- If there are concerns about patient confidentiality, I will check with my instructor to obtain guidance.

I acknowledge that I have read and understand the confidentiality statement and procedures above.
