## A big THANK YOU goes to our Great American Teach-In Volunteers!

November 15th could not have been such a huge success without the many volunteers and parents who shared their professions, expertise and talents with our students. A huge thank you to Rawlings parents and staff who helped give contacts for some of our presenters as well. We look forward to another successful event in November 2018.

It is not too early to think about next year! If interested contact Lori-Ann at 547-7828. Thank you to all those involved!
