Greetings Maximo Elementary Families!

Congratulations to those students who received Student of the Month for February. These students were recognized for their outstanding work habits and behavior this past Thursday in Town Hall.

It's hard to believe that the third report period ends Friday, March 10th. Report cards will be distributed to students on Friday, March 31st. The Mariner staff is extremely proud of our students' high level of active engagement in the daily learning process!

This is a friendly reminder that all third grade students will be taking the Florida Standards Assessment (FSA) for English & Language Arts (ELA) on March 28th & 29th. We're requesting for all of our Mariner students to receive a good night's rest, eat a healthy breakfast, and arrive to school on time.

Once again, the staff of Maximo Elementary is challenging each of our Maximo Mariner students to read and practice their grade level mathematical skills and facts during Spring Break. We're asking primary students to read for at least 30 minutes a day and intermediate students to read for 60 minutes a day. Your child was given a reading and math log to record his or her activities for the week. Every student who returns a completed log will receive a Principal Incentive.

Pinellas County Schools Spring Holidays are March 13th– March 17th. Students return to school on Tuesday, March 21, 2017.

I wish everyone a safe and enjoyable Spring Break!

Educationally Yours,

Lakisha Falana
Principal
