Dear Mr. Reynolds:

THOR GUARD, Inc is the sole manufacturer and sole, authorized marketer of THOR GUARD Lightning Prediction and Warning Systems. THOR GUARD is the only company in the world that manufactures a true lightning prediction system based on changes and shifts of earth's electrostatic atmosphere.

THOR GUARD products are American made. All aspects of our business including our executive team, employees, research, development, and manufacturing are based in Sunrise, Florida.

THOR GUARD products are designed and operate through the use of our exclusive proprietary technology. Our Patent and Trademark numbers are 4,095,221 and 2,390,039, respectively. THOR GUARD has not authorized any company or individual to manufacture our products or utilize our unique trade secret engineering and software systems. We are not a franchisor. Only authorized sales and services representatives of THOR GUARD have access to authentic, THOR GUARD products as well as the service expertise to properly install and maintain our systems.

We hope this position statement provides you with the necessary information to distinguish THOR GUARD lightning prediction technology from existing lightning detection systems which assert to compete with THOR GUARD.

Thank you for your continued support of THOR GUARD products. Please contact us if you have any questions or require additional information.

Very truly yours,

Jason Wolk  
Chief Financial Officer
