Step-by-Step Registration Guide

1. Watch the video or read through each step to ensure proper registration.
   Registration Video

2. Click on the link below and follow the directions you just read.
   Embrace Pinellas Summer 2023

3. Click on Reserve a Spot.

Substitutes should not register or attend Embrace Pinellas.
4. The email you provide will be used to communicate information regarding the event.

5. Eventbrite will email your ticket confirmation. Check your junk/other folder if needed.

6. Eventbrite will take you to the Sched Embrace Pinellas 2023 website where you will build your daily schedule, or you can wait and build it later as Sched will send an email. Check your junk/other folder if needed.

7. Hover over the filter type that best fits your role. Choose the appropriate experience level. Choose 0 if you have never had a teaching contract in any state or district public, private, or charter school.
8. If you are using a phone, touch the upper left corner “Filters” on iPhone or the icon on an Android. Scroll to view and choose the filter types.

9. Place your cursor over the session title to view a detailed description. If you are using a phone, touch the title to view a detailed description.
10. **Monday**
   a. All participants should choose the Opening Ceremony.
   b. Elementary teachers should attend all content areas (ELA, Math, Science)
   c. Middle and High School teachers should attend their predominate content area in the morning and afternoon.
   d. Courses may be listed as “Limited” or “Waitlist.” Please, choose the session anyway.

11. **Tuesday**
   a. All participants should choose the Networking Opportunity and Benefits.
   b. Courses may be listed as “Limited” or “Waitlist.” Please, choose the session anyway.

12. **Wednesday**
   a. Go to your school site.
   b. ONLY school counselors will report to Countryside High School.

13. **Thursday for those with less than one year of experience ONLY**

14. Your schedule is automatically saved. See the bottom left side of your computer screen.

15. When you complete your schedule, you can email it to a friend, send a confirmation to yourself, print it, view the site on any mobile browser, and add/sync it to an Outlook, Google, or Apple calendar. The links below show you how.
