

# Know Before You Go

# COVID-19

Updated August 25, 2021

For guidance on what to do if you think you've been exposed to COVID-19, see this [CDC website](#). *Always seek the advice of your physician or other qualified health provider with any questions you may have regarding COVID –19.*

For the most up to date COVID –19 testing locations in Pinellas County please visit <https://covid19.pinellascounty.org/testing/>

## How can I access COVID –19 testing?

- Members who have concerns that they may have been exposed to COVID-19 or may have symptoms of COVID-19 should contact their health care provider. A list of testing sites and Aetna providers offering testing can be found beginning on page 2 of this document. For more information on Aetna's COVID-19 support, visit <https://www.aetna.com/individuals-families/member-rights-resources/covid19.html>
- The COVID –19 testing site availability depends on staff, supplies, and resources for that day. Tests are administered by nasal or pharyngeal swab. Timing on results vary depending on test and location.
