

Need to Locate a Provider?

Aetna Medical Plans Network ♦

Locate an Aetna Provider

The Aetna Select Open Access Network has a list of approved providers. It is important to verify that your doctors, specialists, and other healthcare providers are included in this network to ensure coverage under your plan.

Plan	Network
Select Choice	Aetna Select Open Access
CDHP + HRA (Consumer Directed Health Plan with Health Reimbursement Account)	Aetna Select Open Access
Basic Essential	Aetna Select Open Access

1. Go to www.aetnapcsb.com or call 866-253-0599 for assistance.
2. Select "find a Doctor" from the top menu bar on the website.
3. Under "Not a Member Yet?", select "Plan from an employer".
4. Before you are actively enrolled, continue as a guest and enter your home location and follow the prompts as listed.
5. After you are enrolled in a plan, follow the steps under "Already a Member" to register or log into your secure member website. Follow the prompts as listed.

Vision Plan ♦

EyeMed Vision Care

Members can select any optometrist or ophthalmologist in the EyeMed Vision Care Advantage Network.

1. Go to www.eyemed.com or call 866-299-1358
2. Select "Find a Provider" in the top right bar on the home page on the website.
3. Enter your zip code and select "Advantage" under "Choose Network".

DENTAL ♦

Humana Advantage Dental Plan Provider

In this plan, you must stay in-network. Only emergencies are covered out-of-network. Check the provider listing to make sure you find an in-network dentist:

1. Go to www.humana.com and click on "Member Resources".
2. Scroll to: "Find a Doctor".
3. Search type: Dental, then click **"Go"**.
4. Coverage type: Check "All Dental Networks".
5. Enter you zip code, or the zip code for the provider.
6. Choose "Humana Dental Advantage Plus" from the Network drop-down menu.
7. To search:
 - By Name: choose "Name" from the drop-down menu and type your dentist's name in the box.
 - For Provider Listings: choose "Specialty" from the drop-down menu, and type "All" in the box. (The list may be viewed online or exported to a PDF file.

MetLife Preferred Dental Provide (PDP)

You will pay less if you use a MetLife preferred dentist.

1. Go to www.metlife.com
2. Select Dentist in the "I want to find a MetLife:" box on the home page on the website.
3. Enter your zip code, city, state and under "Select Your Network", choose PDP Plus.
