Aetna Prescription Drug Coverage for 2021

The Aetna Maintenance Choice Program requests that all maintenance drugs be filled with a 90-day supply through CVS. Maintenance medications are the kind of drugs taken on a regular basis to treat ongoing conditions like allergies, diabetes, high cholesterol, heart disease, high blood pressure, and many other conditions. Refer to pages 31 and 32 of the [2021 BeneFlex Guide](#) for more information:

Maintenance Choice gives members a choice to fill a 90-day supply of their maintenance medicine either through CVS Caremark mail order delivery or at their local CVS Pharmacy retail locations. The member only pays two co-pays for a 90-day supply when obtaining those maintenance prescriptions through CVS. **If you are new to Aetna** and wish to opt out of the program and fill your maintenance drugs with a 30-day supply at CVS or other network pharmacies.

- You must call Aetna Pharmacy Management at **1-888-RX AETNA (1-888-792-3862)** or **TDD: 1-800-823-6373** and **opt out** of the Maintenance Choice Program. You can call Monday–Friday, 8:00 a.m.–6:00 p.m. to opt out (even from the pharmacy) and an override will be placed immediately.

Put simply, it is your proof of insurance for the IRS. Pinellas County Schools is required to send an annual tax statement Form 1095-C to all employees offered medical insurance in 2020. While this form may assist in preparing a return, it is not required to file a return. If you consent to receive this form electronically, you will be able to view and print this form on the 1095-C section of Employee Self-Service earlier than if you get a paper copy. Employees who do not consent to receive this form electronically, will receive a printed form delivered to their work location by January 31st.
