Flexible Spending Accounts
Time is running out—be sure to check your health care FSA account balance on www.PayFlex.com before the end of the year, to make sure you are spending everything in your account by December 31, 2020. You have until March 31, 2021, to submit your receipts for 2020 services. Balances left over will be forfeited and used to offset the expenses of the plan. Remember that the CARES Act enacted earlier this year allows for over-the-counter items as well as prescriptions under the Health Care FSA.

Go to the following sites to see review the list of eligible expenses for the health-care FSA and dependent-care FSA:
- Health-Care FSA
- Dependent-Care FSA

Note: If you enrolled in a Health Care FSA account next year, check the expiration date on your card before you destroy it! Most cards are good for at least three years and new cards are only sent out in advance of the expiration date.
