The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0	There is no deductible for this plan.
Are there services covered before you meet your deductible?	Yes	Your plan pays for covered services since there is no deductible to meet.
Are there other deductibles for specific services?	Yes. For prescription drugs- Individual $250 / Family $500. Specifically Non-preferred brand drugs and Specialty drugs.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	In-Network: Individual $4,500 / Family $9,000. Prescription drugs: Individual $1,750 / Family $3,500.	The out–of–pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out–of–pocket limits until the overall family out–of–pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, health care this plan doesn't cover and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of in-network providers.	This plan uses a provider network. Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. This plan does not allow for out-of-network services unless for emergency services.
Do you need a referral to see a specialist?	No	You can see the in-network specialist you choose without a referral in network only.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
