Aetna Health Promise
New Wellness Programs!

With the change in medical insurance carrier comes a change in the wellness program. Aetna Health Promise is the premier wellness program provided by Aetna. This program has replaced Go365 as of January 1, 2019.

Unlike past programs, Aetna Health Promise is a collection of independent programs that emphasize a holistic approach to health through nutrition, activity, weight management, mindfulness, stress management, and more. Details for each program can be found throughout this newsletter and on pcsb.org/wellness.
