Voluntary Retirement Savings Plan – New Process to Enroll and Make Deduction Changes

Risk Mgt. & Insurance is pleased to announce a streamlined enhancement for the 403(b) Salary Reduction and 457(b) Participant Agreement (SRA) process, effective 8/21/2023. This system is provided by our Plan Administrator, US OMNI and TSACG Compliance Services. All approved representatives of the district's authorized investment provider companies will be able to assist employees with this online process.

There are many benefits to the new SRA process:

- Employees, visit <https://sra.tsacg.com> to access the online system, 24 hours a day, 7 days a week.
- Employees can start, change, or stop a 403(b) and/or 457(b) SRA at their convenience.
- Employees receive immediate online confirmation that their request has been submitted.
- A list of authorized PCS Investment Providers is available [here](#).

The previous "ART Platform" through US OMNI/TSA Consulting will be deactivated 8/1/23. Participants may view their individual account balances directly through their investment provider links, which provides more up-to-date information. More detailed instructions may be found in this [Guide](#).
