If you're thinking... I just don't have the time. Or, maybe you're asking...What would I do with the student? Does mentoring really make a difference? Mentors meet with students during lunch once a week for thirty-minutes, and only when school is in session.

- Mentors attend a one or two-hour workshop, given plenty of resources and activity ideas.
- District and school personnel are always on hand to support you, and answer all your questions.
- A mentor's most important job is to show up, listen and be a caring friend.
- Conversation starters are as easy as talking about your: *favorite foods, hobbies, what's on your bucket list, and what it's like to be a kid!*
