

Make an Impact Be a Mentor

In Pinellas County Schools, more than 3,500 youth are mentored every week during the school year, but there are thousands more that are in need of and could benefit from having a mentor.

“A mentor is someone who allows you to see the hope inside yourself.”

~Oprah Winfrey

Need– Young people today have to cope with many more personal and social pressures than any generation before. We are looking for hundreds of spirited volunteer mentors who are willing to join us in transforming the path for our youth and the communities they live in.

Ease– Attend this **one-hour Mentor Training Webinar** and you will be matched to a school closest to where you live or work. Have lunch for 30 minutes once a week, at a nearby school with a student who will benefit from your encouragement and support.

Impact– 96% Graduation Rate 96% College Enrollment 67% College Graduation Rate
