ESE Survey

Annually, the Florida Department of Education solicits feedback from the parents of all students with disabilities in the State of Florida. The information from this survey is used by the FDOE to assess parent satisfaction with the ESE services their students are entitled to and are receiving in Pinellas County Schools. Individually addressed surveys were distributed to students that receive ESE services. If your child received this survey, please complete it as soon as possible.

Bay News 9

Bay News 9 highlights educators who make a difference in A+ Teacher Segment

Each Tuesday morning, Spectrum Bay News 9 and Al Ruechel will feature an A+ Teacher who is inspiring and leading students across the Bay Area. Bay News 9 has asked students or their parents to nominate an A+ Teacher. Pasadena Fundamental has amazing teachers who deserve to be recognized. If you would like to nominate one of our teachers, please confirm with them that they would not shy away from news coverage before nominating them.
