PINELLAS COUNTY SCHOOLS

# BRIDGING THE GAP

**END-OF-YEAR REPORT 2022-23** 

#### EOY 2022-23

## **Bridging the Gap Plan Quarterly Summary**

Bridging the Gap (BTG) is a Pinellas County Schools (PCS) initiative designed by the district to close or greatly narrow educational achievement gaps between Black students and their non-Black peers by the year 2027. With broad community input gathered during the plan's initial development in fall 2016, the BTG Plan outlines educational equity gaps across six goal areas:

Goal 1: Graduation RateGoal 4: Student DisciplineGoal 2: Student AchievementGoal 5: ESE IdentificationGoal 3: Advanced CourseworkGoal 6: Minority Hiring

The Bridging the Gap Plan and goals as outlined above remain the district's current initiative as a result of a state court order in a case brought against the School Board relating to gaps between Black and non-Black students. This order approved the BTG Plan and requires the district to implement the plan through the 2026-27 school year. Certain components of the plan, including the goals, may only be amended with the consent of the plaintiff. The district monitors progress on a quarterly basis and reports the results to stakeholders as well as posts the documents on the PCS website.

The overarching goal of BTG is to provide pathways to improve the educational outcomes of Black students, particularly regarding equitable performance on standardized assessments, improved graduation rates, participation in advanced level coursework, reductions in disproportionate disciplinary consequences and overrepresentation in Exceptional Student Education (specifically- Emotional/Behavioral Disability). Additionally, the district has prioritized increased teacher diversity to recruit and retain teachers of color.

The key findings presented in this report represent a summary of the implementation efforts for the six goals stated above. The ongoing evaluation of the BTG plan is designed to accomplish the following: (1) identify the extent to which PCS has developed structures and systems to support educational equity and meet stated goals; (2) highlight the successes of the BTG initiative, to date; (3) identify areas for refinement or improvement; and (4) establish a set of best-practice recommendations for improving the plan moving forward. The findings within this report are part of a multi-year evaluation of the BTG Plan which supports annual improvements to the plan and district leadership.

## **Bridging the Gap Oversight and Monitoring**

The Bridging the Gap (BTG) plan is a systemic initiative and large-scale effort to improve persistent inequitable educational outcomes for Black students in Pinellas County Schools. To ensure alignment of the goals and desired outcomes, the district developed consistent methods and measures. Each year the BTG plan is refined to update strategies and actions aligned to current progress with quarterly updates communicated to the community. The Pinellas County School Board (Board) and district remain committed to the BTG plan, evident in the explicit inclusion of the plan each year within the Board-approved <u>District Strategic Plan</u>. To ensure continuous improvement and attention to implementation, each goal within the BTG plan has a goal manager who works cross-functionally to develop, implement and monitor the strategic actions plans. Goal managers meet regularly with Executive Leadership, including the Superintendent, Deputy Superintendent, and Minority Achievement Officer, regarding progress and any barriers that need support.

The district has made progress particularly in the development and implementation of districtwide professional development opportunities and improving early warning systems. Within each BTG Goal, most action steps have focused on training for teachers and leaders, improved data monitoring and identifying and tracking students who are at-risk.

There is evidence of systems-change in each of these key areas as the district has built data systems that track and measure the progress of students in meeting graduation requirements and matching students to advanced courses. Additionally, the district has invested in partnerships with national experts in equitable practices, developed staff to become local trainers and developed a robust set of training options.

Data outcomes measured within the plan have demonstrated improvement, though the COVID-19 pandemic impacted progress during the 2019-20, 2020-21 and 2021-22 school years. As a district committed to continuous improvement, Pinellas County Schools recognizes there is still work to be done and is dedicated to ensuring the goals within the BTG plan are met or exceeded. Some goals within the BTG plan have demonstrated greater success in terms of student outcomes than others and the district will continue to refine and adapt the strategies and actions to align with current capacity and promote long-term systems-change and sustainability over time.

#### BTG 2022-23

The Bridging the Gap Plan outlines the district ten-year goals, annual benchmarks and strategies set for each goal area. While progress is expected each year, it should be noted that the gaps are not likely to decrease equally every year. The district may find that some gaps decrease quickly while others remain stable (or widen) until the plan's actions work in unison to bring about the systemic change needed to impact all gaps.

As the district is entering the sixth year of implementation, a review of strategies took place in the summer/fall of 2022. This included a public input opportunity during a dedicated Superintendent Listen and Learn session on September 15, 2022. The updated plan reflects new and enhanced in-process measures and actions to deepen implementation and increase impact for student outcomes. The plan was also updated to reflect language for the new Florida Assessment of Student Thinking (FAST) statewide, standardized assessments that replace the previous Florida Standards Assessments (FSA) in the 2022-23 school year. Strategies and actions that have been previously completed or become district ways of work remain documented within the plan but are noted as *previous action steps and current ways of work* to acknowledge the work that has been accomplished and continues to be supported.

## **End-of-Year Highlights**

Within the charts in this update, each action step (across all goals) includes progress metrics and updates aligned to the reporting frequency denoted in the 2022-23 plan. Action steps with reporting frequencies in quarter 3 update or the end-of-year report are noted within the update column to ensure transparency on when updates will occur.

Throughout the first semester of the 2022-23 school year, a focus on the strategies and actions within the Bridging the Gap plan continued. School and district staff continued the work to accelerate learning and focus their work to ensure that students' needs continue to be known and met.

The highlights below depict just some of the many actions/strategies occurring this school year and demonstrate the commitment of and progress toward increased outcomes for Black students in Pinellas County Schools.

#### **Goal 1: Graduation Rate**

School and District support to seniors who had not yet passed a required state assessment for graduation
was increased and improved during the 2022-23 school year. Implementation of our ACT/SAT practice
system improved with more students meeting the expectations for use and proficiency than previous years.

#### **Goal 2: Student Achievement**

- All PCS schools now have full access to digital tools and home practice that supports reading and math
  achievement via the district's PCS Connects one-to-one computer initiative. The percentage of Black students
  accessing these programs continues to outpace the percentage of Black students in the district.
- Elementary and Secondary STEM camps are available across district schools, with an emphasis on after-school STEM experiences in all Title 1 schools and schools with larger minority populations. The district is now moving forward with embedding STEM-related design challenges into the school day as a way of increasing access to critical thinking tasks and related problem-solving skills.
- All Black families entering middle school and high school receive outreach calls from the district to alert them to
  upcoming District Application Programs, academic enrichment opportunities and the summer College Cohort
  experience.
- The district implemented a new mentor-tutor model across district elementary schools called Read Across Pinellas (RAP). The program involves training and materials provided by district reading specialists and one-to-one reading lessons with students who are most in need.
- The district continued its expansion of a full-range of services for students in Voluntary Prekindergarten (VPK) programming including tuition-free, full-day programs to impact kindergarten readiness. In February 2022, Pinellas County kindergarten readiness rate was officially released with 60% of kindergarten students demonstrating readiness. Pinellas County outpaced the state and was significantly higher than all neighboring counties. The district investment in VPK continues to positively impact the outcomes of the earliest learners.
- PCS has continued its implementation of the Pinellas Early Literacy Initiative (PELI) in our high-minority schools, in partnership with the Pinellas Education Foundation and Helios Education Foundation. This work is designed to accelerate early literacy support for students and provides increased resources, training for teachers and targeted interventions specific to each student's needs. The design is showing great promise in district Transformation Zone schools and has positively impacted Black learners.
- A district commitment to infuse student enrichment time into district middle schools is being piloted. The continued focus on enrichment is designed to push student thinking and will be expanded in future years.

#### **Goal 3: Rigorous Coursework**

- Cambridge course offerings expanded into nine (9) traditional high schools, increasing opportunities for high school students to take accelerated coursework.
- Schools continued to use the AP potential report to recruit students who demonstrated potential to be successful in an AP course as a result of their PSAT score and were not accessing the course.
- PSAT provided to all 9th and 10th grade students at no cost. SAT was provided during the school day for all 11th grade students at no cost.

#### **Goal 4: Student Discipline**

- Principal supervisors (Area Superintendents and Chief Transformation Officer) partnered with our new Climate
  and Behavior Department to continue focusing our efforts on using data to inform professional development
  and support for our school teams.
- As a result of our Positive Behavior Intervention Systems (PBIS) two-day summer 2022 reboot, 25 selected schools were able to begin the school year with refined and updated PBIS implementation plans. These plans were brought back to their school stakeholder to continue the work of improving schoolwide and classroom conditions for learning.

- Area Superintendents and the Transformation Zone Chief completed extensive work with schools to improve the
  fidelity of discipline data entry and to reduce variance between schools regarding discipline codes and discipline
  actions used.
- The use of restorative practice as a discipline action was added into our student referral management system and referral process. Schools opted to use this action when processing referrals 2,092 times in 2022-23.

### **Goal 5: ESE Eligibility**

- The number of students identified as EBD in the Black subgroup continues to be on the decline for students identified in Pinellas.
- The depth and scope of the training for Behavior Specialists continued to deepen their knowledge of effective behavior interventions across the tiers.

#### **Goal 6: Minority Hiring**

- The number of recruitment events, including job fairs and information sessions, increased in numbers and overall participation. Specifically, these events provided additional support for career changers interested in becoming a teacher. During the spring we provided support to over 170 interested career changers. Our recruitment team continues to visit Historically Black Colleges and Universities (HBCUs) and stay involved with our Black Student Organizations and our local Pinellas Alliance of Black School Educators (PASBSE) organization to promote the profession, recruitment of new educators and provide opportunities to network with professionals in the education organization.
- EdRising program continues to be implemented in two (2) of our high schools encouraging our students to consider education as a career. Students have opportunities to visit and observe classrooms and learn more about the teaching profession.
- Our PCS Black Leaders continue to receive regularly scheduled leadership activities to support advancement and leadership skills. A cohort of 28 leaders participated in all five (5) leadership activities. In addition to these leadership opportunities, our newly appointed school-based leaders, are provided at least seven (7) opportunities in the first year to receive support and development. 100% of these leaders participated by attending at least 50% of the offerings provided.

Goal 5: ESE Identification- Reduce the disparity of Black students being found eligible for Exceptional Student Education (ESE)4	15
Annual and Related Outcome Measures4	15
Goal 6: Minority Hiring- Increase the number of Black teachers and administrators to closely mirror the student enrollment by ethnicity5	53
Annual and Related Outcome Measures5	53
Appendix- Key Terms and Definitions6	54

## Goal 1: Graduation Rate- Eliminate the gap between the graduation rates for Black and non-Black students.

Goal Manager: Rita Vasquez, Executive Director, High School Education

Baseline Condition (as of 2015-16): Pinellas County Schools has a graduation rate for all students of 80.1% and a rate for Black students of 65.5%. The district has seen a 10.9 percentage point increase in graduation rate among Black students since 2012, with an improvement among all students of 8.1 percentage points. A gap in graduation rates still exists between Black (65.5%) and non-Black (83.4%) students, a gap of 17.9 percentage points.

**Aspirational Goal:** Pinellas County will increase the graduation rates for Black learners each year at a higher rate than the non-Black graduation rate. The goal is to decrease the gap in graduation rates between Black and non-Black students by an average of 1.8 percentage points each year until the gap is eliminated or greatly narrowed.

#### **Annual and Related Outcome Measures**

The percentage provided here is an internal estimate only and is provided for BTG planning purposes. The data should be viewed only as an approximation of the final totals. Final graduation rates are expected to be released by the state in December 2023 or early January 2024.

## **Goal 1: Key Action Steps**

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
Academic Rigor and Standards- Based Instruction	1.1) Train teachers at each of the identified high schools to work directly with Black seniors who are in need of additional ELA-reading or math support within core instruction using district-identified programs to graduate on time.	□ Planning □ Implementing	# of teachers trained (ELA and math)	# and % of Black students who complete 5 or more "Think Cerca" in a school year.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	Just over 100 English 1 and English 2 teachers were trained during DWT Summer of 2022 on the THINK CERCA core intervention system which would be implemented in ENGLISH 1 and ENGLISH 2 classrooms.  # of Black students who completed 5 or more CERCAs within THINK CERCA in 2022-23 - PENDING (We are working with vendor to accurately provide data for students)  Additional progress measure in lieu of above:  -544 Black L1/L2 students were tutored by our BTG literacy tutors last year.  - those 544 students on average made a 9-point scale score gain between PM1 and PM2 last year.
Academic Rigor and Standards- Based Instruction	1.2) Assign district literacy specialists/tutors to identified high schools to provide small group instruction to Black students in grades 9/10 who scored as L1 or L2 in the FSA ELA in prior year to close literacy skills gaps within core instruction.	□Planning ⊠Implementing	# and % of Black students who are not on track.  # and % engaged in an intervention	% of Black students meeting graduation readiness standards per grade level expectations		761 9th and 10th Grade Black Students who were either L1 or L2 at the start of the 2022-23 school year received tutoring from the district literacy specialists this school year.  PM3 Data 9th GRADE: 9th Grade Black: 24%, or 317/1,320 students, scored as L3+ 9th Grade Non-Black: 51%, or 3,002/5,887, scored as L3+

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
						PM3 Data 10th GRADE: 10th Grade Black: 22%, or 245/1,115 students, scored as L3+ 10th Grade Non-Black: 52%, or 2,953/5,689, scored as L3+  SEE ACTION STEP 1.4 for the GRAD READINESS STANDARDS by grade level data, that is typically reported with the credit recovery data
Academic Rigor and Standards- Based Instruction	1.3) Assign tutors to identified high schools to provide tutoring support in Algebra classrooms to Black students who scored L1 or L2 on FSA Math classrooms to close mathematics skills gaps within core instruction.	□Planning □Implementing	# and % of Black students who are not on track. # and % engaged in an intervention	% of Black students meeting graduation readiness standards per grade level expectations	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	FAST ALG Data 9th GRADE: 9th Grade Black: 24%, or 82/346 students, scored as L3+ 9th Grade Non-Black: 46%, or 530/1,163, scored as L3+  FAST ALG Data 10th GRADE: 10th Grade Black: 11%, or 51/485 students, scored as L3+ 10th Grade Non-Black: 20%, or 242/1,195, scored as L3+  SEE ACTION STEP 1.4 for the GRAD READINESS STANDARDS by grade level data, that is typically reported with the credit recovery data
Extended Learning	1.4) Ensure that all Black students who are not on track to graduate are expected to participate inschool extended learning opportunities before and after school and in extended year (Summer Bridge) with	□Planning ⊠Implementing	# and % of Black students NOT on track enrolled in in- school credit recovery programs # and % of Black students NOT on track enrolled in	% of Black students meeting graduation readiness standards per grade level expectations	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	9th Grade Students meeting GRAD Readiness Standards (GPA and credits): Black: 60%, 770/1,291 Non-Black: 76%, 4,772/6,266  10th Grade Students meeting GRAD Readiness Standards (GPA and credits): Black: 60%, 879/1,475 Non-Black: 78%, 4,920/6,331

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
	80% enrolling or participating. Develop monitoring and reporting system for enrollment and success in earning credit.		previous summer credit recovery programs			11th Grade Students meeting GRAD Readiness Standards (GPA and credits): Black: 61%, 757/1,246 Non-Black: 78%, 4,548/5,811
Extended Learning	1.5) Implement the hybrid education program and supports within Pinellas Gulf Coast Academy for students in danger of not completing high school due to an inability to attend school inperson due to difficult life circumstances (e.g., students who need to work full-time to help support their families).	⊠Planning ⊠Implementing	Program deployment  # of Black students enrolled in program	# of Black students completing courses for graduation requirements within the program.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	Data Provided by Mrs. Solinsky who was principal during 2022-23     PGCA Black 2019 Cohort
Family and Community Engagement	1.6) Host virtual 'road to graduation' events for students and families in grades 9-12 that provide information about course and assessment requirements for students.	□Planning ⊠Implementing	# of events hosted	# of participants and views (if virtual/recorded event)	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	
Family and Community Engagement	1.7) Develop and implement a peer-to-peer mentoring program for Black male students at the nine high schools with the highest percentages of L1/L2 Black male students.	⊠Planning ⊠Implementing	Narrative of development process			Thirty-five 11th and 12th grade Black male student mentors were trained during the summer of 2022 to engage in mentoring activities with 9th and 10th grade at-risk of not graduating (as defined by early warning indicators and performance on ELA and math state assessments). Cumulatively, these mentors worked with approximately 60 students in the targeted group.

## **Goal 1: Previous Action Steps and Current Ways of Work**

As the BTG plan progresses, action steps are completed or become ways of work within Pinellas County Schools. In order to accurately and historically document strategies and actions of the district, actions in previous years of the BTG plan will continue to be included and, in some cases, reported on.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End f Year Data/Results
Academic Rigor and Standards- Based Instruction	1.8) Provide an instructional model that ensures rigorous, culturally relevant instruction for all students using assignments aligned to challenging state standards, engagement strategies and student-centered practices.	⊠Complete ⊠Way of work	% of Black students performing at or near proficiency on district cycle assessments by each subject	% of Black students meeting graduation readiness standards per grade level expectations		SEE ACTION STEP 1.4 for the GRAD READINESS STANDARDS by grade level data, that is typically reported with the credit recovery data  SEE ACTION STEPS 1.2 and 1.3 for the ELA and ALG EOY data for Black/Non-Black EOY data  For BIOLOGY EOC 2022-23 DATA: Black: 31%, or 382/1,234 were L3+ Non-Black: 65%, or 3,795/5,828 were L3+  For US HISTORY EOC 2022-23 DATA: Black: 34%, or 329/969 were L3+ Non-Black: 66%, or 2,994/4,537 were L3+
Academic Rigor and Standards- Based Instruction	1.9) Provide each high school the specific standards from district assessments in English, Mathematics, Biology, and U.S. History by race to support schools in identifying course concepts / standards that need to be re-taught to improve student mastery and reduce the likelihood of course failures.	⊠Complete ⊠Way of work	% of Black students performing at or near proficiency on district cycle assessments by each subject	% of Black students meeting graduation readiness standards per grade level expectations	□Quarter 1  ⊠Quarter 2  □Quarter 3  ⊠End-of-Year  □Not Applicable	SEE ACTION STEP 1.4 for the GRAD READINESS STANDARDS by grade level data, that is typically reported with the credit recovery data

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End f Year Data/Results
Academic Rigor and Standards- Based Instruction	1.10) Develop training materials for teachers and school leaders in support of standards-based grading and in support of equitable grading practices. These materials are for use by school leaders in coaching conversations with teachers with disproportionate failures for Black students in core academic areas.	□Complete □Way of work 図Other: Moving to BTG Goal 2	NA	NA	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Early Warning Systems and Monitoring Processes	1.11) Provide professional development for school leadership teams in using the PCS Graduation Status Report to support interventions for students who are not on track to graduate. (Data includes GPA, credits earned, and scores on state graduation assessments.)	⊠Complete ⊠Way of work ⊠Other: Replaced by Core Intervention	NA	NA	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Early Warning Systems and Monitoring Processes	1.12) Develop a learner profile and personalized monitoring plans for all Black students who are not on track to graduate	⊠Complete ⊠Way of work	# and % of Black students in high school NOT on track # of Black students in high school with personalized monitoring plan	% of Black students meeting graduation readiness standards per grade level expectations	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year □Not Applicable	SEE ACTION STEP 1.4 for the GRAD READINESS STANDARDS by grade level data, that is typically reported with the credit recovery data

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End f Year Data/Results
Early Warning Systems and Monitoring Processes	1.13) Provide side-by-side coaching as needed to high school leadership teams, assistant principals, and principals on using the Graduation Status Reports to focus support for Black students and review personalized learning plans for students who are not on track to graduate.	⊠Complete ⊠Way of work	NA	NA	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable

	graduate to create, review and/or update personalized learning plans.				□Not Applicable	their school received support that addresses their individual needs.

## Goal 2: Student Achievement- Eliminate the gap between the proficiency rates in reading (ELA) and mathematics on state and national assessments for Black and non-Black students.

Goal Manager: Dan Evans, Ed.D., Chief Academic Officer

Baseline Condition (as of 2015-16): Pinellas County Schools has a proficiency rate on the Florida Standards Assessment (FSA)¹ for ELA-Reading of 56.4% for non-Black students and 24.2% for Black students, a gap of 32.2. The proficiency rate on the FSA for Math is 60.9% for non-Black students and 27.9% for Black students, a 33-point gap. Smaller gaps are found on national norm-referenced tests such as the ACT and SAT. For purposes of this goal, the gap is defined as the difference in performance between Black and non-Black students on state and national norm-referenced assessments.

**Aspirational Goal:** Pinellas County will decrease the gap in ELA-Reading and Mathematics proficiency for Black students by an average of 3.2 percentage points each year on state assessments until the gap is eliminated or greatly narrowed.

#### **Annual and Related Outcome Measures**

## **Goal 2: Key Action Steps**

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	2.1) Provide an instructional model that ensures rigorous, culturally relevant instruction for all students using assignments aligned to challenging state standards, engagement strategies and student-centered practices.	⊠Implementing	% of Black students at or near proficiency on district cycle progress monitoring assessments for ELA and math.	% of Black students scoring L3+ on FAST PM3 and End-of- Course Exams (EOCs) for ELA and math.	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	26.4% of Black students scored Level 3+ on the PM3 end-of-year FAST ELA assessment.  33.4% of Black students scored Level 3+ on the PM3 end-of-year FAST math assessment.
Academic Rigor and Standards- Based Instruction	2.2) Provide targeted professional development and additional coaching to teachers and leaders on responsive strategies to increase engagement in rigorous instruction for Black learners and increase the percentage of proficient students.	⊠Implementing	# of classrooms observed  % of classrooms across the district demonstrating evidence of students engaging in relevant learning experiences	% of Black students earning A, B and C grades / elementary (Grade 5) % of Black students exiting middle school (rising 9th graders) on track for high school (at least a 2.0 GPA and L2+ FAST PM 3 ELA)	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	64.3% of Black students in 5th Grade earned grades of an A, B or C, and at least a Level 2 on FAST PM 3.  32.5% of Black rising 9th grade students are on track for high school, having at least a 2.0 GPA and Level 2 on FAST PM3.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	2.3) Utilize responsive instructional practices in classrooms such as oral language and storytelling, cooperative settings, academic discussion, music and movement, morning meetings, explicit vocabulary instruction, monitoring with feedback and deliberate use of cultural references in lesson plans in order to increase the percentage of proficient students.	⊠Implementing	# of classrooms observed  % of classrooms across the district demonstrating evidence of students engaging in positive learning environments	% of Black students scoring L3+ on FAST PM3 and End of Course Exams (EOCs) for ELA and math.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	26.4% of Black students scored Level 3+ on the PM3 end-of-year FAST ELA assessment.  33.4% of Black students scored Level 3+ on the PM3 end-of-year FAST math assessment.
Academic Rigor and Standards- Based Instruction	2.4) Implement Reading Recovery at targeted schools to increase the number of first-grade learners increasing literacy skills.	⊠Implementing	# of schools implementing Reading Recovery # and % of Black students being served by Reading Recovery	# of Black students demonstrating increases in Reading Recovery, evidence- based program data points.	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	15 schools implementing Reading Recovery; 459 Black students (64%) are being served by Reading Recovery.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	2.5) Implement the Pinellas Early Literacy Initiative (PELI) in 16 high-minority schools from 2021-25.	⊠Implementing	# of schools implementing PELI	# of teachers trained in the implementation of evidence-based practices at the targeted schools.  # of principals/APs trained in the implementation of evidence-based leadership practices at the targeted	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	16 schools. 399 teachers trained (This includes VPK-2nd grade classroom teachers and other staff who support K-2 classrooms). 32 principals and assistant principals have been trained.
Academic Rigor and Standards- Based Instruction	2.6) Develop an accelerated ELA enrichment model for Black students demonstrating at or just below proficiency and pilot in middle schools.	⊠Planning	Narrative of development process	schools.  # of schools implementing accelerated ELA enrichment model.	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	Curriculum design and resource site developed. New enrichment period built into pilot school schedules. Students in need have been identified.
Academic Rigor and Standards- Based Instruction	2.7) Implement school day embedded tutoring strategy at middle and high schools with highminority populations.	⊠Implementing	# of targeted middle and high schools # of Black students not yet on grade level in grades 7-10 who receive embedded tutoring	% of Black students scoring L3+ on Algebra EOC at targeted schools.	□Quarter 1 □Quarter 2 ⊠Quarter 3 ⊠End-of-Year	In targeted middle schools, 74.4% of Black students scored Level 3+ on Algebra EOC.  In targeted high schools, 19.6% of Black students scored Level 3+ on Algebra EOC.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	2.8) Increase the number of Voluntary Prekindergarten (VPK) students who attend full-day Pre-K program in order to increase kindergarten readiness rates.	⊠Implementing	# of schools with full- day, free VPK	# of Black students served.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	26 schools with full-day, free VPK. Total students in VPK: 2,028 Number of Black students: 384 (368 students who were full day).
Academic Rigor and Standards- Based Instruction	2.9) Expand the inquiry-based tutoring model for non-AVID schools/courses in middle and high school to improve student grades and graduation readiness.	⊠Planning	Narrative of expansion process	# of teachers trained.	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	Initial planning established, training identified and middle school pilot underway to provide time for tutoring model.
Academic Rigor and Standards- Based Instruction	2.10) Recruit and hire instructional staff developers to support identified middle and high schools for ELA and mathematics content.	⊠Planning	# ISD hires	# of schools receiving ISD support.	□Quarter 1 ☑Quarter 2 □Quarter 3 ☑End-of-Year	Two (2) hired full-time to support targeted elementary schools. Resource guide developed with strategies specific to supporting learners who need additional support.
Early Warning Systems and Monitoring Processes	2.11) Develop a learning lab model for data analysis, problem-solving and school improvement that engages students and families in a collaborative manner and gives them voice in how school processes and solutions are designed.	⊠Planning	Narrative of development of learning lab model	# of participating schools/parent sessions.  # of participating parents.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	Model established. Schools identified for training. Initial training conducted from embedded instructional coaches. Expansion planned for 2023-24 to work with targeted students and their families.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Extended Learning	2.12) Ensure that schools with high minority enrollments provide additional, strategically focused time during and after school to support academic interventions and flexible instructional delivery.	⊠Implementing	# of schools with high- minority enrollments (defined as at least 40% Black enrollment)  Development of schoolwide academic intervention and instructional delivery plans at every school.	# and % Black students who are not on track by school grade band (elementary, middle, high).	□Quarter 1 ⊠Quarter 2 □Quarter 3 ⊠End-of-Year	58.3% of Black elementary students are not on track.  80.5% of Black middle school students are not on track.  69.1% of Black high school students are not on track.  Note: In this measure, on track is determined as earning A, B, C grades and scoring Level 3+ on state reading and math assessments
Family and Community Engagement	2.13) Continue outreach program for Black students in elementary school in offering them personalized support on how to access district choice programs so as to increase Black enrollment in middle and high school programs and placement into AVID courses.	⊠Implementing	Creation of program, outreach provided to families	# and % of schools providing these programs.  # and % of Black students participating.	□Quarter 1 □Quarter 2 ⊠Quarter 3 □End-of-Year	

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Family and Community Engagement	2.14) Partner with families to monitor usage among Black students of digital resources that are provided beyond the school day through PCS Connects, Connect for Success computer program (for increased access to iReady, iStation, Dreambox and myOn), Math Nation, Reading Plus, PCS Personalized Learner Pathway (PLP) and Khan Academy.	⊠Implementing	# and % of schools providing these programs	# of logins PCS Connects/Clever.  # and % of Black students participating.	□Quarter 1 □Quarter 2 ☑Quarter 3 □End-of-Year	
Family and Community Engagement	2.15) Establish an online, Open Access Extended Learning Program to support students who need to relearn key skills and standards. Engage parents and community to increase access, usage of new program.	⊠Implementing	Creation of program, outreach provided to families	# of families contacted.	□Quarter 1 □Quarter 2 ⊠Quarter 3 ⊠End-of-Year	Online program fully in place and accessible via PCS Connects one-to-one computer initiative. Family usage to date has been limited.

## **Goal 2: Previous Action Steps and Current Ways of Work**

As the BTG plan progresses, action steps are completed or become ways of work within Pinellas County Schools. In order to accurately and historically document strategies and actions of the district, actions in previous years of the BTG plan will continue to be included and, in some cases, reported on.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
Academic Rigor and Standards- Based Instruction	2.16) Identify and provide additional culturally relevant books, resources and technology to supplement core instruction representing diverse perspectives as a way to increase student engagement.	⊠Complete ⊠Way of work			⊠Not Applicable	
Early Warning Systems and Monitoring Processes	2.17) Implement effective intervention strategies based on the close monitoring of students with personalized learning plans.	⊠Complete ⊠Way of work			⊠Not Applicable	
Academic Rigor and Standards- Based Instruction	2.18) Provide professional development for school leadership teams in using early warning data to help teachers provide immediate support to students in need. Data to include attendance, discipline, course failures, student progression toward graduation and progress assessments.	⊠Complete ⊠Way of work			⊠Not Applicable	
Academic Rigor and Standards- Based Instruction	2.19) Implement strategic ELA and mathematics interventions at 23 targeted schools through dedicated ELA and math staff members (Project 23).  Project Discontinued 10/2022 original end date was 5/2023	⊠Complete			⊠Not Applicable	

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
Academic Rigor and Standards- Based Instruction	2.20) Determine possible causes of disengagement and underachievement by Black students and pilot possible solutions via implementation of School Climate Transformation Grant (SCTG) at five (5) district middle schools.	⊠Complete □Way of work			⊠Not Applicable	
Extended Learning	2.21) Provide extended learning opportunities before and after school and extended year (Summer Bridge) programs.	⊠Complete ⊠Way of work	Catalog of Opportunities	% of Black students engaged in Summer Learning.	⊠End-of- Year	1,558 Black learners in the summer of 2023 across all elementary summer sites (24.9% of all attendees).
Extended Learning	2.22) Provide equitable enrichment opportunities for all students across schools, such as STEM (Science, Technology, Engineering and Mathematics) Academies, academic competitions, arts opportunities and interest clubs.	⊠Complete ⊠Way of work	Catalog of Opportunities	% of Black students who denote engagement with school involvement within the annual Stakeholder Survey.	⊠Quarter 3	
Early Warning Systems and Monitoring Processes	2.23) Ensure teachers have access to real- time data specific to Black students in order to have effective data chats and targeted support for improved learning.	⊠Complete ⊠Way of work			⊠Not Applicable	
Family and Community Engagement	2.24) Ensure Parent University sessions are provided in locations that make attendance convenient for Black families.	⊠Complete ⊠Way of work			⊠Not Applicable	

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year Data/Results
Family and Community Engagement	2.25) Empower families by providing parent training that is "linked to student learning" through Parent University sessions and school workshops.	□Complete 図Way of work	# of sessions provided	% of Black families who denote satisfaction regarding academic support and family engagement within the annual Stakeholder Survey.	⊠End-of- Year	81.24% of Black families responded strongly agree or agree that students in their school received support that addresses their individual needs.
Family and Community Engagement	2.26) Provide professional development to schools on parent engagement strategies that are tied to the Dual Capacity Framework / Dr. Karen Mapp / Harvard.	⊠Complete ⊠Way of work			⊠Not Applicable	
Family and Community Engagement	2.27) Commission an Anti-Racist Curriculum Review Task Force to examine curriculum from an anti-racist perspective and implement recommendations from task force for the coming school year(s).	⊠Complete □Way of work			⊠Not Applicable	

## Goal 3: Advanced Coursework- Eliminate the gap in advanced and accelerated participation and performance rates for Black and non-Black students.

Goal Manager: Cassandra Bogatz, Director, Advanced Studies (as of March 2023); Dan Evans, Ed.D., Chief Academic Officer (as of January 2023)

Baseline Condition (as of 2015-16): Pinellas County Schools has a current participation rate for Black students that ranges from 12.8% in high school honors courses to 9.1% in accelerated courses (8.5% in AP courses and 12.3% in Dual Enrollment as examples) and career programs (CAPE enrollment is 17%). Middle school enrollments follow a similar pattern. The total gap for 2015-16 for all secondary students enrolled in advanced or accelerated courses was 5.9 percentage points and that gap widened slightly for 2016-17 to 6.1 points. The gap for enrollment in Gifted was 14.2 percentage points in 2015-16 and that gap improved slightly for 2016-17 to 14.0 points. There is presently no gap in the total enrollment across the district in application programs, though some gaps do exist in specific programs at certain schools. For purposes of this goal, the gap is defined as the difference between Black and non-Black students in the following areas:

- All students identified and enrolled in gifted (participation rates).
- Secondary students enrolled in advanced or accelerated courses (participation and performance rates).
- All students enrolled in district application programs (participation rates).

Aspirational Goal: Pinellas County Schools will increase the percentage of Black students enrolled in gifted, advanced and accelerated courses by an average 1% each year to meet or exceed the percentage enrollment of Black students (18% in 2015-16) and increase the percentage of Black students earning satisfactory performance standards by an average of .5% each year until that percentage meets or exceeds the district or state average. The district will also maintain or increase its current Black enrollment in district application programs (24.1% Black enrollment in 2015-16) across the district and increase its Black enrollment in specific application programs until they all meet or exceed the percentage enrollment of Black students.

## **Goal 3: Key Action Steps**

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	3.1) Provide open access to advanced and accelerated courses in middle and high school by removing barriers to enrollment and utilizing entry criteria only if mandated by colleges, agencies (ex. Dual Enrollment- DE).	□Planning □Implementing		# and % of students enrolled (BNB) in advanced and accelerated courses.	□Quarter 1 □Quarter 2 □Quarter 3 ⊠End-of-Year	Middle School Black Student Enrollment Advanced 21.2% (3,417) Accelerated 14.2% (878)  Middle School Non-Black Student Enrollment Advanced 78.8% (12,699) Accelerated 85.8% (5,300)  High School Black Student Enrollment Advanced 17.3% (4,125) Accelerated 12.8% (2,218)  High School Non-Black Student Enrollment Advanced 82.7% (19,750) Accelerated 87.2% (15,063)
Academic Rigor and Standards- Based Instruction	3.2) Implement strategies and professional development to increase teacher and school leader supports for student success in advanced courses in middle and high school.	□Planning □Implementing		# and % students (BNB) taking an advanced course who earned a D or F grade.	⊠Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year	Middle School Advanced Courses D or F grade Black 26.1% (838) Non-Black 15.3% (1,934)  High School Advanced Courses D or F grade Black 53.5% (2,505) Non-Black 30.6% (7,300)
Academic Rigor and Standards- Based Instruction	3.3) Implement strategies and professional development to increase teacher supports for student success in accelerated courses in middle or high school.	□Planning ☑Implementing		# and % of students (BNB) taking an accelerated course who earned a D or F grade.	⊠ Quarter 1 □ Quarter 2 □ Quarter 3 ⊠ End-of-Year	Middle School Accelerated Courses D or F grade Black 17.0% (137) Non-Black 11.6% (595)

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
						High School Accelerated Courses D or F grade Black 43.9% (980) Non-Black 26.5% (4,185)
Academic Rigor and Standards- Based Instruction	3.4) Provide Talent Development teachers with ongoing professional development for implementing curriculum and provide schools with annual support in identifying a representative group of students for participation in their Talent Development Program.	⊠Planning ⊠Implementing	# of teachers completing PD Q1 # and % of schools who met representation goal Q3	Districtwide demographics of Talent Development Group Q4.	⊠ Quarter 1 □ Quarter 2 ⊠ Quarter 3 ⊠ End-of-Year	56 schools or 74% of schools met the talent representation goal
Academic Rigor and Standards- Based Instruction	3.5) Implement strategies and professional development to increase teacher supports for student success for gifted and talented learners.	□Planning ⊠Implementing	# of gifted teachers who have completed gifted micro- credential.  # of talented program teachers who have completed gifted certification and/or micro-credential.	# and % of Black gifted learners earning a L4/5 on FAST.	□ Quarter 1 □ Quarter 2 □ Quarter 3 □ End-of-Year	

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards- Based Instruction	3.6) Implement strategies that support increased student success on College Board readiness assessments (PSAT/SAT).	⊠Planning ⊠Implementing	Development of curriculum guides that embed strategies in high school English and math classes  # of assessment preparation opportunities/programs for SAT preparation (e.g., Albert IO, Canvas, etc.)	Black student performance on PSAT and SAT suite of assessment as reported by College Board End-of-Year reports. Note: Official reports generally issued in fall of each year.	□ Quarter 1 □ Quarter 2 □ Quarter 3 □ End-of-Year	THIS WILL BE PENDING UNTIL we receive all ACT/SAT data from June/July for all students who took National Administrations. This should be updated in the FALL when graduation rates are final (late FALL).
Early Warning Systems and Monitoring Processes	3.7) Develop system to provide direct and targeted strategies for students in need of support to be successful in advanced/accelerated courses (e.g., AVID elective, extended learning program, tutoring, etc.)	□Planning ⊠Implementing		# and % of students (BNB) enrolled in an ADV/ACC course A, B, C grades who are also enrolled in an AVID elective course.	□Quarter 1 □Quarter 2 ⊠Quarter 3 ⊠End-of-Year	Middle School Advanced Courses A, B, C grade and in AVID Black 18.1% (457) Non-Black 18.8% (1,856)  High School Advanced Courses A, B, C grade and in AVID Black 28.3% (831) Non-Black 16.0% (2,482)  Middle School Accelerated Courses A, B, C grade and in AVID Black 26.2% (137) Non-Black 15.8% (550)  High School Accelerated Courses A, B, C grade and in AVID Black 33.4% (361) Non-Black 16.5% (1,366)

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Early Warning Systems and Monitoring Processes	3.8) Leverage the College and Career Centers at each high school, provide information sessions for students and families in high school who demonstrate potential for success in rigorous courses and are not accessing such courses to provide more individualized academics.	□Planning ⊠Implementing	# of Black students demonstrating potential for success in rigorous courses visiting College and Career Centers	# of Black students demonstrating potential for success in rigorous courses visiting College and Career Center more than one time per academic year.	□ Quarter 1 □ Quarter 2 □ Quarter 3 □ End-of-Year	1,901 visits and 593 unique visits by Black students in the 2022-23 school year
Early Warning Systems and Monitoring Processes	3.10) Refine tools provided to school principals with real-time academic data (ex. grades) specific to Black students in accelerated courses. Provide a summary report of accelerated courses and sections that Black students are struggling in so as to support teacher growth and creative solutions at the school site.	⊠Planning □Implementing		# and % students (BNB) taking an accelerated course who earned a D or F grade.	□Quarter 1 □Quarter 2 □Quarter 3 ⊠End-of-Year	Middle School Accelerated Courses D or F grade Black 17.0% (137) Non-Black 11.6% (595)  High School Accelerated Courses D or F grade Black 43.9% (980) Non-Black 26.5% (4,185)
Extended Learning	3.11) Invite Black students who show potential for success in rigorous courses to participate in each Elevating Excellence activity for their grade level or college boot camps hosted by minority achievement officer.	□Planning □Implementing	# of Black students invited to participate in EE and/or college boot camps	# of Black students who participated in EE Summer Seminars.  # of Black students who participated in EE SAT prep experiences.  # of Black students who engaged with a College and Career Center.	□ Quarter 1 ⊠ Quarter 2 □ Quarter 3 ⊠ End-of-Year	61 Black students participated in Elevating Excellence summer sessions.  44 Black students participated in PSAT/SAT prep during the school year.  1,163 total visits and 679 Black students visited a college and career center with 1,163 total visits.

				# of Black students who participated in a college boot camp.		75 students attended our college planning boot camp
Family and Community Engagement	3.12) Enhance online resources (web page, videos, etc.) to help parents of middle school students understand the course pathways needed to take advanced courses and to better understand the accelerated diploma programs.	□Planning ☑Implementing	Communication, materials, resources and events found within online calendar/website	# of live and virtual sessions conducted	□Quarter 1 □Quarter 2 □Quarter 3 ⊠End-of-Year	Four (4) meetings were held. Two (2) in the fall and two (2) in the spring.

## **Goal 3: Previous Action Steps and Current Ways of Work**

As the BTG plan progresses, action steps are completed or become ways of work within Pinellas County Schools. In order to accurately and historically document strategies and actions of the district, actions in previous years of the BTG plan will continue to be included and, in some cases, reported on.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency	End-of-Year data/results
Academic Rigor and Standards-Based Instruction	3.13) Implement universal screening for gifted identification for all students before 2nd grade across all district elementary schools.	□Complete ☑Way of work	# and % of Black students screened	# and % of Black students identified as gifted.		
Academic Rigor and Standards-Based Instruction	3.14) Implement Plan B eligibility measures and related processes in support of a wider identification of students for gifted services.	□Complete ☑Way of work	# and % of Black students identified via Plan B compared to non-Black students	Total # and % of Black students identified as gifted.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year □Not Applicable	
Academic Rigor and Standards-Based Instruction	3.15) Embed college readiness assessment preparation (e.g., district developed, SATpractice.org, Albert IO, etc.) into English 1, 2 and 3 classes across all district high schools.	□Complete ☑Way of work	Curriculum guides with embedded strategies for SAT/ACT practice.		□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Academic Rigor and Standards-Based Instruction	3.16) Ensure equitable access for Black students to onsite, college readiness testing in every high school (PSAT, ACT, SAT).	□Complete 図Way of work	for identified 7t PSAT 8/9 for all PSAT/NMSQT for PSAT/NMSQT for Optional PSAT/I SAT for all 11th Optional SAT for Waiver process in place	ticipation and level mance include: ation Program (TIP) SAT h graders 8th graders or all 9th graders or all 10th graders NMSQT for 11th graders graders	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	

Early Warning Systems and Monitoring Processes	3.17) Provide the accelerated component report, related talking points, and an Acceleration Plan template to principals and counselors to be used in individual meetings with Black students who have not yet successfully completed an accelerated option.	□Complete ☑Way of work	Data provided and discussed on regular basis with school leaders during Level and Area meetings.		□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Family and Community Engagement	3.18) Ensure that each high school hosts an awareness event for high school parents to detail the SAT Suite of Assessments, the official SATpractice.org provided through Khan Academy, and the scholarship opportunities connected to PSAT results.	□Complete ☑Way of work	Schedule of events at each school. Each school is provided materials including handouts and videos to support robust discussions and information for students, parents and families.		□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Family and Community Engagement	3.19) Ensure an equitable representation of Black learners in Advanced Studies recognition ceremonies (such as PRIDE, AVID Pinning and the Honors Breakfast).	□Complete ☑Way of work	Communication materials and efforts to encourage student and family participation for those who meet academic criteria.		□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Academic Rigor and Standards-Based Instruction	3.20) Refine the identification process and curriculum of talent-development programs to support "talented" students in elementary schools that have low numbers of gifted identified students.	⊠ Complete ⊠Way of work			⊠ Quarter 1 □ Quarter 2 □ Quarter 3 □ End-of-Year ⊠ Not Applicable	
Extended Learning	3.21) Identify and invite the top 15% of Black students in 7th grade students to take	⊠Complete ⊠Way of work	# of Black students identified for TIP	% of Black students who participated in TIP	□Quarter 1 □Quarter 2 □Quarter 3	-+*16% of Black students who participated in TIP

	the SAT and participate in the PCS Talent Identification Program (TIP).		in-school administration of SAT	⊠ End-of-Year  ☐ Not Applicable	participated in the school administration of SAT
Early Warning Systems and Monitoring Processes	3.22) Provide training to all school counselors, principals and assistant principals for curriculum in the use of data from the SAT Suite of Assessments to support students in selecting and enrolling in the appropriate accelerated course option that matches their strengths.	□Complete ☑Way of work	Data provided and discussed on regular basis with school leaders during individually scheduled school-based meetings.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Early Warning Systems and Monitoring Processes	3.23) Provide side-by-side coaching as needed to assistant principals and principals on how to support their school counselors in using their SAT Suite of Assessments data and academic data disaggregated by race to identify Black students who could take more rigorous classes.	□ Complete ☑ Way of work	Data provided and discussed on regular basis with school leaders during individually scheduled school-based meetings.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	
Family and Community Engagement	3.24) Initiate an outreach campaign to gather information and feedback from families of Black students regarding experiences in advanced/accelerated courses to better inform supports and strategies.	⊠Complete □Way of work	Project and report completed by Hanover Research in summer 2022.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable	

Early Warning Systems and Monitoring Processes	3.25) Provide AVID elective in all schools to meet the needs of minority learners. Ensure that all Black learners who are eligible and targeted for AVID elective are personally invited and encouraged to enroll.	□Planning ⊠Implementing		□Quarter 1 □Quarter 2 □Quarter 3 ⊠End-of-Year	AVID Elective is in 16 middle schools and 21 middle schools.
--	--	-------------------------	--	--	--

# Goal 4: Student Discipline- Reduce the total number of disciplinary infractions (referrals) and suspensions for Black students and decrease the disparity in referrals and suspensions for Black students to reach a level that is representative of the Black student population.

Goal Manager: Michael Vigue, Area Superintendent, Area 1

Baseline Condition (as of 2015-16): Pinellas County Schools has reduced its number of referrals (a decrease of 30.3%) and out-of-school suspensions (a decrease of 56.7%) for Black students significantly since 2013-14, though the district has not reduced the disparity gap as the number and percentage of referrals and suspensions for non-Black students has decreased at a similar rate. The gap has remained somewhat constant. The gap is typically represented by a "risk ratio" and that number is just over 2.0 for referrals and 4.0 for out-of-school suspensions, which means that Black students remain about two times more likely to receive a referral and four times more likely to receive an out-of-school suspension.

Aspirational Goal: Pinellas County Schools will decrease the number of referrals and suspensions given to Black students until it meets or is less than the percentage enrollment of Black students (18% in 2015-16) and until the risk ratio is at or near 1.0. The district will closely monitor its out-of-school suspensions given to Black students with a goal of decreasing its disparity rate by one-third (.33) each year.

Tier 3- Individualized Support	4.19) Ensure procedure is followed that no more than 3 days of In-School Suspension (ISS) or OSS is given for any one infraction without approval from Area Superintendents/TZ Chief.	□Complete 図Way of work	Guidelines and monito Superintendents/TZ Ch	ring of ISS/OSS by Area iief.	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable
Tier 1- Schoolwide Practices	4.20) Closely monitor school discipline data to eliminate Out-of-School Suspension (OSS) for non-violent infractions, such as skipping class/school, missed detentions, excessive tardies, electronic devices, leaving school grounds w/o permission or being in an unauthorized location.	□Planning ☑Implementing	Guidelines and monito Superintendents/TZ Ch	•	□Quarter 1 □Quarter 2 □Quarter 3 □End-of-Year ⊠Not Applicable

## Goal 5: ESE Identification- Reduce the disparity of Black students being found eligible for Exceptional Student Education (ESE).

Goal Manager: Lynne Mowatt, Executive Director, Exceptional Student Education

Baseline Condition (as of 2015-16): Pinellas County Schools percentage of overall placements for Exceptional Student Education (ESE) is 14%. However, disproportionate representation of racial and ethnic groups in specific disability categories exist; specifically, the number of Black students identified for placement (25%) is not representative of the Black student population at PCS and remains disparate from the number of non-Black students identified. The disproportionality of Black and non-Black students is represented by risk ratios. The disproportionate representation is largely found within the Emotional Behavioral Disability (EBD) designation. The risk ratio for overall placement in ESE in the 2015-16 school year was 1.45, which means that Black students were nearly one and a half times as likely to be identified as an ESE student than non-Black students. The risk ratio for EBD eligibility in the 2015-16 school year was 4.20, which means that Black students were four times more likely to be referred for EBD services than non-Black students.

Aspirational Goal: Pinellas County Schools will reduce all ESE eligibilities for Black students each year until it meets a risk ratio that is at or near 1.0. The district will closely monitor its placements for EBD until the percentage meets or is less than the percentage enrollment of Black students (18% in 2015-16) and the risk ratio drops each year by one-quarter (.25) until the ratio is at or near 1.0.

#### **Goal 5: Previous Action Steps** and Current Ways of Work

As the BTG plan progresses, action steps are completed or become ways of work within Pinellas County Schools. In order to accurately and historically document strategies and actions of the district, actions in previous years of the BTG plan will continue to be included and, in some cases, reported on.

Area of Focus	Action Steps	Action Status	Progress Measure(s)	Outcome Measure	Reporting Frequency

### Goal 6: Minority Hiring-Increase the number of Black teachers and administrators to closely mirror the student enrollment by ethnicity.

Goal Manager: Paula Texel, Chief Human Resources Officer

Baseline Condition (as of 2015-16): Pinellas County Schools employs nearly 7,500 teachers, of which approximately 8% are Black. The percentage breakdown of administrators in the district is about 22% Black. For purposes of this goal, the gap is defined as the difference between the number of instructional staff who are Black compared to the population of Black students (which in 2015-16 was 18%). The percentage of Black instructional staff members in 2015-16 was 8.3%, a gap of 9.7 percentage points.

Aspirational Goal: Pinellas County Schools will increase its number of Black teachers by an average of 1% each year until it meets or exceeds the percentage enrollment of Black students (which was 18% in 2015-16) and maintain its current rate of administrative hires to ensure that it meets or exceeds the student enrollment by race.

### **Appendix- Key Terms and Definitions**

Term	Data Definitions	Data Rules
Gap	The disproportionality of outcomes related to Black students as compared to the performance of non-Black students.	The gaps for each goal are explained as sub-definitions under each goal. For purposes of this document, the 2015-16 school year is considered the baseline year for setting the district's aspirational goals. 2016-17 is considered the first year of implementation.
Black	All students and employees who are "Black" under the federal race definition, which is defined in Pinellas County as the Local Ethnic Code. This definition is consistent with state and national reporting rules around race. The reporting of a student as "Black" is determined by the parent during the school registration process or by the employee via the hiring process.	The district no longer uses what was termed the "Bradley race variable" that some previous data documents utilized. This race variable was discontinued in 2016-17 as a way of creating a consistent definition around race matched to the federal and state reporting rules. It is important to note that data accuracy around race is dependent upon the accuracy of self-reporting.
Non-Black	All students or employees who are not "Black" under the federal race definition, which is defined in Pinellas County as the Local Ethnic Code. This definition is consistent with state and national reporting rules around race. The reporting of a student as "non-Black" is determined by the parent during the school registration process or by the employee via the hiring process.	The district provides data on all races per the Local Ethnic Code definition. It is important to note that data accuracy around race is dependent upon the accuracy of self-reporting.
Graduation Rate	The percentage of high school students from each four-year cohort who graduate with a standard high school diploma per the state's definition, which includes all withdrawal codes (WD) that result in a standard high school diploma.	The district provides data on all withdrawal codes (WD) as a way of reporting students who graduated with a standard high school diploma, the routes they took in receiving their diplomas as well as accounting for students who did not graduate. Withdrawal codes include: W06 (pass the state assessment), WFT (use of concordant score) and WFW (ESE waiver).
Academic Achievement	The annual performance of students on reading (now called English, Language Arts or ELA) and math standardized assessments. For purposes of this document, the state's Florida Standards Assessment (FSA) is used as well as other nationally recognized normed assessments.	Though the district does review and provide data regarding other achievement factors (such as GPA), the gap for purposes of this section of the document refers to the gap in performance on standardized assessments.
Advanced Coursework	Advanced and accelerated courses and programs that are designed to provide more rigorous academic opportunities for students. For purposes of this document, this includes student enrollment in gifted in elementary and middle schools, and Advanced, Honors, and Accelerated (such Dual Enrollment and Advanced Placement courses) courses in middle and high schools. This also includes student enrollments in district application / choice programs.	Data include gifted in elementary school, gifted, advanced and high-school-level courses in middle school, and honors, Dual Enrollment, AP, IB and AICE courses in high school. IB and AICE program enrollments are also included as part of the district's monitoring of application / choice programs.
Participation in Advanced Coursework	Participation refers to the total enrollment of Black students in courses (see above) and / or attendance in activities (such as STEM programs) as outlined within this document. The goals for participation are defined as meeting or exceeding the percentage enrollment of Black students across the district (which in 2015-16 was 18%).	To be clear, participation per this document is defined as the percentage of Black students taking part in rigorous classes or programs as compared to their non-Black peers. As a caution, this does not mean that 18% of Black students should be enrolled in advanced courses but it does mean that at least 18% of those students enrolled in advanced courses are Black.

Term	Data Definitions	Data Rules
Performance in Advanced Coursework	Performance refers to the percentage of Black students earning satisfactory course credit (such as college credit in DE or AP) or earning an industry certification. The performance of Black students should mirror the performance of non-Black students.	Measuring performance of students in accelerated courses such as AP should be made with some caution as the district is committed to challenging students to take more rigorous courses and that sometimes results in higher participation rates and, at least initially, with lower performance rates. The district has outlined plans to provide students with the assistance and support needed to succeed in these more challenging classes.
Disciplinary Referral	An office disciplinary referral received by a student and processed at the school per the district's Code of Student Conduct.	Data are pulled for both the total number of referrals and total number of students who received a referral, typically titled "unique referrals" or "unique students" receiving a referral. Though the gap is defined by race, data are pulled also by gender and type of infraction as a way of monitoring progress and interventions.
Disciplinary Suspension	A consequence issued as a result of an office disciplinary referral that results in a student being removed temporarily from the campus. This is commonly referred to as "out-of-school suspension."	Data are pulled for both total number of suspensions and total number of students who received a suspension, typically titled "unique suspensions" or "unique students" receiving a suspension. Though the gap is defined by race, data are pulled also by gender and type of infraction as a way of monitoring progress and interventions.
Arrest	A consequence issued by law enforcement agencies and not issued by a school administrator as an arrest is not a school consequence as outlined in the district's Code of Student Conduct.	Arrests are recorded for purposes of this document as a "school-related arrest" when the following conditions are met: the offense is perpetrated by a student and the offense happens on school grounds. For example, a student might be arrested at school for an incident that occurred in the neighborhood, and, in that case, the arrest is not counted as a school-related arrest.
ESE / EBD	The percentage of students identified and staffed for Exceptional Student Education Services. One such designation that is tracked per this document are those students in need of significant behavioral support under the heading of Emotional Behavioral Disabilities (EBD).	For purposes of this document, students with a 504 Plan are not included.
Risk Ratio	A data point that represents the likelihood that a member of one group would incur a consequence as compared to other subgroups or as compared to all other students.	Formula: Subgroup Risk ÷ Non-Subgroup Risk # black students suspended ÷ total # of black students # non - black students suspended ÷ total # of non - black students
Minority Hiring	The total number and percentage of instructional and administrative positions with the goal of increasing staff diversity by meeting or exceeding the total enrollment of Black students across the district (defined in 2015-16 as 18%).	The data for this document are pulled only for instructional and administrative positions and not for related staff positions who are non-instructional. As such, the gaps referred to herein are intended to impact the diversity of the teaching and administrative staffs.
