

Curlew Creek Elementary

invites you to a

Parent-Student Math Party!

Students in grades K-5 and their parents are invited to an evening of fun and interactive math games.

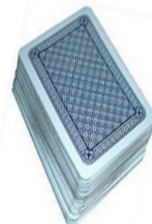

Ms. Math,
(Dr. Rachel McAnallen)
will be leading students and parents in an exciting and entertaining evening. Rachel has traveled the world, sharing her love of math with others.

Ms. Math's wit and wisdom will help you challenge your students' mathematical thinking – and your own!

Please join us on Tuesday, March 19th
from 6:00-7:30 p.m.
School Cafeteria

Bring a deck of cards!

This is a family-orientated event; parents and students must attend together. Space available will be a premium and we request there are no toddlers, infants, and strollers. Thanks for your help!
