

Pasadena Fundamental Elementary School Partners in Education Sponsorships

Pasadena Fundamental Elementary is a local A-rated public school providing exceptional educational opportunities to over 450 students in our community, while instilling in them values of acceptance, inclusion and respect for others.

Fundamental schools focus on the importance of student responsibility and parental involvement, as families work together with dedicated teachers and staff to prepare students for successful futures. Our success would NOT be possible without the support from our local businesses and families.

Please consider a sponsorship today! We appreciate your generosity.
