Develop A School-Wide Reward/Recognition System Aligned To Targeted Behavior:

1. How, when, where, and by whom will strategies be implemented?
2. Are documented strategies evidence-based and aligned to data – e.g., explicit description of the procedure/practice, clear definition of the settings and implementers who use the procedure/practice, identification of the population of individuals who are expected to benefit, and the specific outcomes expected?

**Action Plan:**

*Plan to Monitor for Fidelity of Implementation*

Ongoing reminders about the Fundamental guidelines.
Continue to invite District speakers to speak with our students and parents. For example, Joan Reubens spoke with students and parents about Anti-Bullying and behavior expectations.
Continue to build relationships with all stakeholders through fun events such as the Fish Fry.
Principal and Assistant Principal continue to conduct walk through's.
Continue to analyze discipline data of black and non black students.
Professional Development:
List Professional Development Opportunities Aligned To The Positive Behavior Supports

- ESE Book Study
- Performance Matter training (data chats)
- Formative Assessments training
- Technology training (IPAD, Senteo’s, SMART Board).
Midyear:
1. Which goals, barriers and strategies were revised based on response to intervention?
2. What evidence was used to drive the revisions?

Be sure to include how you are addressing the discrepancy between Black and Non-Black discipline in your response to intervention discussion.

Madeira Beach Fundamental continuously review the fundamental guidelines and expectations. The Administrative team are continuously conducting walk through’s.
Black and Non-Black students have been invited to be a part of the Girlfriends, 5000 Role Models, PMAC and STEP organizations. The enrollment has increased tremendously. The organization now includes (4th through the 8th grade). There has been a significant decrease in IAC, Intervention and Appeals, meetings. We are continuously reviewing the fundamental guidelines may be a root cause of the decrease in meetings.
