	<p>The SHMS PTSA has a strong history of supporting the school, staff and students throughout the year. We provide programs for students and their families throughout the school year, including student character and academic recognition programs. Parents are encouraged to attend monthly PTSA board meetings and three General Meetings during the year.</p> <p>One opportunity for family involvement is the Successful Seahawk Breakfast. Teachers come together every six weeks to recognize students that improve their grades, help others and show true character that go above and beyond. Parents are invited to attend and watch their children receive awards, enjoy breakfast and learn about upcoming events at school.</p> <p>The PTSA provides three programs per year, complete with a free dinner for families and invites guest speakers to cover topics on the dangers of Energy Drinks, Bullying Prevention and a High School Discovery Night. This year's agenda is shaping up to include another High School Prep Night, an evening with family invention specialists on the topics of internet security, excessive gaming and other topics of concern to middle school families as their children are preparing for high school.</p> <p>The PTSA maintains a strong partnership with teachers and administrators at Safety Harbor Middle School. The PTSA Executive Committee includes a diverse group of parents, teachers and administrative team members that meet monthly to choose relevant ways to support the staff and students throughout the year. The entire school community benefits when everyone works together to reach the same goal-Student Success!</p> <p>Utilizing the Parent ConnectEd call system, newsletters, banners and websites further strengthens the message to families that their involvement is critical to the success of their child.</p>
