

CAMPBELL PARK ELEMENTARY SIP 2013-14 EXECUTIVE SUMMARY

Campbell Park Elementary School has 650 students grades Pre-K to 5th, two administrators, 74 teachers, and 56 staff members. The mission of Campbell Park is to create a supportive learning community which promotes highest student achievement.

To accomplish this mission, Campbell Park has 5 Goals:

- 1) Increase reading proficiency by 27% on the FCAT by implementing the Jan Richardson Guided Reading Routine School wide.
- 2) Increase writing proficiency by 40% based on Florida Writes.
- 3) Increase Math proficiency by 34% on the FCAT by implementing ST Math school-wide, by implementing procedures, heuristic rubrics and scales focused on problem solving, and by holding teachers accountable for collaborative planning in their respective teams
- 4) Close the achievement gap between Black and non-black students to our AMO 2014 targets;
- 5) Reduce the number of office referrals by 50% based upon the 2012-13 school year.

The core instructional strategies included in our action plans are: providing in-class modeling and coaching (reading and math) on a daily basis with a district coach during instruction time; utilizing data to differentiate and scaffold instruction; using research-based strategies in core instruction (e.g., 5E, Gradual Release, Text Dependent Questioning, Collaboration, and Common Core).

The professional development efforts include the use of the literacy team to train and guide teachers in differentiating and scaffolding instruction using the Jan Richardson's guided reading routine in reading. We will embed reading, math, writing and science professional development (CCSS) so teachers can attend guided collaborative planning sessions which will result in rigorous grade level instruction.

The parent involvement efforts are a challenge for our school as many parents work during the school. As a strategy to increase volunteer hours, the school is hosting monthly evening meetings featuring a variety of activities that fosters parent participation. We also have a strong partnership with the United Way which provides us with extra support in the community.
