

LAKWOOD HIGH SIP 2013-14 EXECUTIVE SUMMARY

Lakewood High School has 1300 students in grades 9 to 12th, five administrators, 105 teachers, and 24 support members. The mission of Lakewood High is to prepare our students to be successful and adaptable in a dynamic world.

To accomplish this mission, Lakewood has 6 Goals:

- 1) To increase the percentage of students proficient (level 3 and above) on FCAT 2.0 by 5% over the prior year's results
- 2) In Writing, to increase the percentage of students earning a 3.5 by at least 8% over the prior year's results
- 3) In Math, to increase the percentage of students passing the EOC's by 5% over the prior year's results
- 4) Our goal is to increase the number of African-American students passing the Math EOC's by 10% over the prior year's results
- 5) Reduce the achievement gap between black and non-black students to our 2014 AMO target
- 6) Increasing our daily average student's attendance by one percent over our prior year's results

The Core instructional strategies included in our action plans are:

Providing school-wide literacy strategy training, developing model classrooms, math and literacy coaching support offered, providing differentiated instruction, using culturally relevant instructional materials, using strategies to increase student engagement, embedding technology into instruction, providing supportive tutorial and supplemental instructional opportunities.
