Enter a summary of the current status of implementation

1. We have aligned our SWBP with our SIP goals for reducing the achievement gap and discipline gap. Staff members meet with specific African-American students to mentor and progress monitor with fluency phrases.
2. Black/non-black data is reviewed monthly at PBS meetings and specific students are referred to the SBLT team when identified for individual interventions.
3. Surveys are being conducted and analyzed to revise to our Positive Behavior System and Class Do Jo.
4. Parent surveys are being conducted in January and February to increase awareness of our SWBP with our families.
5. Mentors work with African American students through the Girlfriends club and our mentoring program. Both include staff members as well as community members as mentors.
6. Repeat offenders (5 specific students) are discussed at weekly SBLT meetings and monthly PBS meetings. Tier 2 & Tier 3 interventions are adjusted as indicated necessary by progress monitoring data.
