Guidelines for Success:
1. Have the school-wide GFS expectations been clearly identified?
2. Are common-area expectations posted and clearly communicated?
3. Have the classroom expectations/rules been clearly identified, posted and clearly communicated?

Questions to guide discussion:
Guidelines for success have been clearly identified and communicated.
School wide expectations are posted and referenced regularly (Fundamental Philosophy).
Goal 1:

A. Strategies to reduce or eliminate barrier for this goal, B. What are the barriers to achieving this goal that were validated by the problem solving team?

Reduce the number of referrals for classroom disruption by 25%.

Implementation Steps

SWPBS, Assemblies, Implementing opportunities to engage students, parents, and the community.

### Goal 1 Data Collection and Management:

1. Did your team access and use the student data information systems?
2. What is the correlation between reinforcement of positive behaviors and targeted behaviors?
3. Does the plan identify types of data needed, data system to access, and person(s) responsible for data collection and reporting?
4. Does the plan identify a regular schedule of data and analysis?

#### Strategy

Clearly review and educate all stakeholders on the Fundamental Philosophy.

#### Implementation Steps

Planning of events/activities, Pro Ed. for staff, assemblies, review of expectations at PTSA and SAC.

Develop A School-Wide Reward/Recognition System Aligned To Targeted Behavior:

1. How, when, where, and by whom will strategies be implemented?
2. Are documented strategies evidence-based and aligned to data – e.g., explicit description of the procedure/practice, clear definition of the settings and implementers who use the procedure/practice, identification of the population of individuals who are expected to benefit, and the specific outcomes expected?

Midyear:
1. Which goals, barriers and strategies were revised based on response to intervention?
2. What evidence was used to drive the revisions?
Be sure to include how you are addressing the discrepancy between Black and Non-Black discipline in your response to intervention discussion.

Enter a summary of the current status of implementation

We will reduce the discipline discrepancy between black and non-black students through continued promotion and engagement in our school's PBS program. We have also implemented assemblies and small group instruction/reinforcement through our Coaching & Mentoring classes.
