Survival Skills

Start your classroom out right!

Professional development for classroom management

This required professional development contains two parts: 3 hours online followed by 3 hours face-to-face after you begin teaching.

http://www.pcsb.org/Page/18795

Step 1: Copy this direct link in your address bar or click on the link
Step 2: Complete the task required and email to kasardop@pcsb.org
Step 3: Enroll in the next appropriate face-to-face session when you have access to Professional Learning Network

Alternative process:
Step 1: Login to our pcsb.org home page
Step 2: Click on the employment tab
Step 3: Locate the left navigational link called Transition To Teaching
Step 4: Click on the + sign to access the Survival Skills Training class

3 hour face-to-face follow up dates: 10/22, 4/10
Registration will be in PLN using search word #19999 or ttt after you receive your PCS user domain and login information. Email Pam Kasardo kasardop@pcsb.org if you need assistance.

Survival Skills training provides:
- Behavior management and processes for building an effective classroom
- Powerful on-going teaching and assessing strategies
- Practical ideas for increasing achievement
- Ways to build a positive learning environment
- Meet others who are career changers in Pinellas County Schools

Note: Survival Skills training begins in August for those who were not able to attend summer Embrace Pinellas. You will not be required to attend any further Embrace Pinellas Sessions because you are in the TTT program.
