

The East Lake High School PTSA's Membership Drive is in full swing! While this year looks vastly different than previous years at East Lake, we need your support more than ever. Membership and Sponsorship sales are our only fundraisers, so these funds are critical to accomplishing our goals. This year our PTSA plans to support student and classroom enrichment through teacher grants.

These funding requests would be made to The PTSA for special projects and classroom supplies. In addition, The PTSA will continue to provide funding for staff appreciation! We love to show the teachers and support staff at East Lake how much we appreciate them! We hope you will consider joining the PTSA this year!

How can I join?

You can join by clicking the link below or by filling out the attached form and sending it in to school with your student. Please attach payment to the form.
<https://elhsptsa.memberhub.store/>

Do you have Business Sponsorships?

We also have the option of Business Sponsorships, starting at just \$100. Please contact us for more information or just fill out the attached sponsorship form.

Thank you in advance for your support! We appreciate your contribution to the East Lake High School community. Stay in touch with The ELHS PTSA by following our
