Tijuana Baker  
Principal

*BUSINESS PARTNERS IN EDUCATION*

### The Adopt-A-Class Program

Our Adopt-A-Class Program will allow individuals, local businesses, or community organizations to adopt one of our classes, projects, or a special area of our school and become a partner in education. Your tax deductible donation will be used to purchase one or more items from a classroom wish list such as: books, paper, classroom supplies, school technology needs, math materials, field trips, celebrations, or other student incentives. Some other areas that need your adoption are Art, P.E., E.S.E., Music, Guidance, Cafeteria and the Media Center. At year end, any remaining dollars will be used to enhance the entire school program.

### Our Mission

*The mission of Highland Lakes Elementary School is to create a safe and respectful learning environment which fosters self-directed learners. We will do this by accomplishing our School Improvement Plan goals and providing quality educational experiences so that we will build a community of successful, life-long learners.*

HIGHLAND LAKES ELEMENTARY

The Adopt-A-Class Program is an effort to help form a partnership between you and the children of our school community. The intent of this program is to enhance the education process by involving you in our school.

Teachers are allocated a limited amount of money at the beginning of each school year with which to purchase materials for their classrooms. These funds do not go far enough. Additional help is needed to provide a more complete program for our children. We invite you to become a member of the Highland Lakes Elementary Adopt-A-Class Program.

By becoming a partner, you will be helping to supplement these funds and guarantee an improved opportunity for the children in our community. You may choose to adopt a grade level or a specific classroom.

All donations are tax deductible. Adopt-A-Class sponsors can look forward to receiving letters from the children, invitations to specific classroom, and school functions. As you will see, the very best gift of all is the fact that you will be a role model for our children and will have helped to expand their educational growth.

The Adopt-A-Class Program runs through the school year.

Thank you for your kind and generous support.

WHAT IS THE PURPOSE OF THIS PROGRAM?

- ◆ We wish to support our school and insure that our children receive a quality learning experience.
- ◆ We wish to supplement current budgeted monies.
- ◆ We wish to develop a partnership between business and education through volunteerism.
- ◆ We wish to promote an awareness of careers that are available in our community.

EACH PARTNER WILL RECEIVE

- ◆ A thank you letter from the school.
- ◆ A copy of the article that will be placed in the school newsletter informing the parents of children at our school of your partnership.
- ◆ Recognition posted on our school website.
- ◆ The opportunity to be a role model for our children and see how you have helped to expand their educational growth.

*We invite you to take your place in Highland Lakes Elementary history and become a partner in a child's education.*
