

# 2025 - 2026 San Jose Elementary School Improvement Plan

## Goals

- Proficiency in English Language Arts will increase from 74% to 78%
- Proficiency in Grade 3 English Language Arts will increase from 86% to 88%
- Proficiency in Mathematics will increase from 73% to 78%
- Proficiency in Science will increase from 91% to 92%

## Planning for Improvement

- Deliberate cross subject collaboration to embed writing in all content areas
- Adaptive instruction to meet the unique needs of each student
- Develop student inquiry skills using immersive, hands-on experiences

## Positive Culture & Environment

- Implement the SOAR guidelines for success that align to each area of campus
- Recognize and reinforce positive behavior through a consistent reward system
- Cultivate positive connections with students and families by building respect, trust and ongoing engagement
