

Summary of Skycrest Elementary School Parent and Family Engagement Plan

The 2023 - 2024 Parent and Family Engagement Plan (PFEP) for Skycrest Elementary states:

Our school Compact and Parent and Family Engagement Plan is jointly developed by parents and other stake holders. To build the capacity of our parents, we will offer monthly International Cafés, Conference nights, Meet & Greet Day, New to Skycrest night, Open House, Literacy night, Middle School Information night, and the end of the year Student Showcase night. Additionally, our staff will build their capacity by participating in ongoing Professional Learning Communities, Restorative Practices/PBIS Training, Family Engagement Book Study, Ongoing Collaborative Planning, and Data Chats, to create an atmosphere that is conducive to parent and family engagement and highest student achievement. We also coordinate with other federal programs such as IDEA, VPK, ESOL Parent Meetings, and ESE Parent Meetings.

Each year, we review our Compact and Parent and Family Engagement Plan, parent input is essential to this process. Parents will be notified of the review date by Spring of each year. We offer flexible meeting times by offering meetings at various times of day, to reach as many parents as possible. Our Title I Annual Parent Meeting will be held in August 2023. During this meeting we will discuss the Parent's Right to Know, "What is Title I", the budget, and the importance of parent and family engagement, and curriculum and assessments.

We will communicate with parents via various methods of communication including meetings, letters home, student agendas, school messenger calls and texts, email, school website, digital marquee, and Facebook. We will make every reasonable effort to provide our parents with information in an understandable language and format. Our Parent and Family Engagement Plan (PFEP) is located on our website <https://www.pcsb.org/skycrest-es>, at our Title I Parent Station in the front office, and you may request a complete copy by contacting the office at 727-469-5987.
