

Good evening Jamerson families, this is your principal, Mrs. Peters, with updates for the week of November 29<sup>th</sup>.

We hope that you enjoyed your week off and you were able to have a little down time for the Thanksgiving holiday.

It will be a busy three weeks until the Holiday break. This weekly call will include all the upcoming events as well so you can plan ahead.

Tomorrow is another Math Monday. We really appreciate your support at home to ensure our 3<sup>rd</sup> – 5<sup>th</sup> grade students complete their weekly Dreambox lessons. Make sure your child gets their 5 lessons each week at home.

Vision, hearing, and growth and development screenings were postponed for children in kindergarten, first and third grade. When I have the rescheduled date, I will share that with you.

As we head into the holiday season, I want to share a few important other announcements and dates with you.

- The PBIS event Gearing Up for the Holidays occurs Nov 30-Dec 17. Students with no absences, tardies, minor infractions in their classroom, or office referrals each of the three weeks earn a ticket each of those weeks. Tickets are placed in boxes in the cafeteria and drawn for prizes. Encourage your child to follow the Jamerson Expectations and earn entries.
- On Thursday, December 2<sup>nd</sup> don't miss our biggest engineering showcase of the year – our Fall Engineering Expo. This is a wonderful evening event that encourages you to visit the school and see the K-5 engineering exhibits. It is an open house type event that starts at 5:45 pm and ends at 7:30 pm. Our Jamerson Jammers will perform at 6:00 pm.

- Thursday, December 9<sup>th</sup> at 5:45 pm we will host Discovery Night. This is for families who are considering applying at Jamerson for the 2022 – 2023 school year. If you know any interested families, encourage them to come and check out our wonderful school.
- The PTA Holiday Shoppe will run the second week of December. More information will be coming.
- On Dec. 15<sup>th</sup> our 1<sup>st</sup> graders, 2<sup>nd</sup> graders & chorus will perform. The concert will be recorded and posted on the website and Facebook.
- On Dec. 16<sup>th</sup> the Beginning band and BandBots will perform. This will also be recorded and posted. We are so hopeful that the second half of the year will get to include face to face concerts again, but until then Mrs. Hill is being creative to be sure all parents can see their child perform.
- Friday, December 17<sup>th</sup> is the end of the second quarter and the last day before the Holiday break. It is also Pajama Day.
- There will be No School from Monday, December 20<sup>th</sup> – Monday, January 3<sup>rd</sup>. School resumes for students on Tuesday, January 4<sup>th</sup> at 8:45 am.

This is your weekly reminder that masks are strongly recommended. Please do not send your child to school if they are feeling ill. We all need to continue to do our part to keep our school family as healthy and safe as possible.

For all the latest information you can view our website or find us on Facebook.

Thank you for partnering with us to ensure your child receives the best possible education. Have a wonderful rest of your evening! We know it will be another amazing week at Jamerson Elementary.
