Message from the Principal
Heather Peters

Hello Families,

The school year is busy and flying by. On Thursday, December 21st we will wrap up our second quarter. This will be the last day of school for students before beginning the Holiday break.

As we head into the holiday season, I want to share a few important announcements with you.

Our second Progress Monitoring window begins on Tuesday, December 5th and runs through Monday, December 18th. Check with your child’s teacher to find out their specific testing days. Students are assessed in both math and reading in K - 5. PreK students are assessed in early literacy skills.

• Wednesday, December 6th will be Engineering Day and Expo Night
• Tuesday, December 12th will be Discovery Night. This is for new families who are considering applying at Jamerson for the 2024–2025 school year. If you know any interested families, encourage them to come and check out our wonderful school.
• On Thursday, Dec. 14th our 1st and 2nd graders & chorus will perform.
• Thursday, December 21st is Pajama Day.
• There will be No School from Friday, December 22nd – Friday, January 5th. School resumes for students on Monday, January 8th. Gates open at 8:15 am.

As we finish this quarter and then upon returning after the holiday break be mindful of getting your children to school on time so they are ready to learn. School starts at 8:45, and it is important that students arrive at school on time. When students arrive late, they are often embarrassed to be arriving after school has started, and this isn’t a good frame of mind in which to start learning for the day. Students who arrive late also miss the morning news and teacher’s opening message, which can set the tone for the day. Persistent tardiness can create problems for the tardy student as well as for others in the class. The teacher or another student may have to repeat instructions and get the arriving student caught up. This is inefficient and frustrating for everyone involved. Perhaps most important for elementary aged children is that they are learning patterns for life. Being on time and ready to begin the day is an important habit for life. Please do your best to make sure your children are here on time every day and ready to learn.

From our Jamerson family to yours, we want to wish all of you a very happy Holiday Season.

Heather Peters
