Message from the Principal

Season's Greetings DLJ Families,

As we enter the month of November, I want to take a moment to express my gratitude for our wonderful school community. This month, we celebrate not only the changing seasons but also the spirit of thankfulness that unites us all.

November is packed with exciting activities, including:

Great American Teach-In - November 13th

PTA Read-a-Thon Event - November 4th

Third Grade Musical -November 21st

There is no school November 25th - 29th for the Thanksgiving Holidays.

We encourage all families to participate and share in the joy of our students' accomplishments.

Additionally, let's take this opportunity to reflect on the values of gratitude and kindness. We will be promoting various initiatives aimed at giving back to our community and supporting those in need.

Thank you for your continued support and dedication to our school. Together, we can make this a memorable November for our students!

Warm regards,

Angela Lewis,

Principal

Conscious Discipline Corner

November Skill – Encouragement

Encouraging children to help others creates a sense of belonging in which the intrinsic desire to be of service outshines attention-seeking behaviors.

Power Associated with Encouragement: Power of Unity

Big Idea: We are all in this together.

Goal: To perceive compassionately, and offer compassion to others and to ourselves.
