Message from the Principal

Brandie Williams-Macon

On behalf of Jamerson’s staff, I am delighted to officially welcome you to the 2020-21 school year. We hope that each of you has stayed safe and enjoyed your summer activities, while we are currently living in strange and unprecedented times.

As we kickoff this new school year, I understand the concerns of sending your children back to school while the world is dealing with coronavirus. I can assure you that the Jamerson staff has taken and will continue to take every precaution necessary to ensure that we are providing a safe learning environment for our scholars.

For those families who have chosen MYPCS online learning, we will ensure that both scholars and parents have the same access and resources they would if they were attending school traditionally. Providing a safe, fun and supportive educational environment for all scholars is our top priority.

Jamerson Elementary is committed to the goal of ensuring each scholar succeeds. With your help we will meet this goal. I am looking forward to this being a fantastic year for all!

Educationally yours,
Brandie Williams-Macon
