A Message from Mr. Durst

I cannot believe we are already closing out the month of September. The month of October at Davis ushers in the excitement, magic, and craziness of the season. With this in mind, please stay committed to attending school every day, getting your student to school on time, minimizing early pull-outs from a school day. Making this commitment will ensure your child has the opportunity to succeed and our amazing Davis staff can truly meet their needs. Our school district has adopted the phrase "Attend Today, Achieve Tomorrow". In all grades, attendance is vital to the success of your student. The direct correlation of absenteeism and student dropout rate is eye opening. Ultimately, it's all about consistency. Media Matters

Thank you to everyone that came out and supported our Fall Book Fair.

Although the Book Fair was earlier this year, it was still a great success and the students discovered some wonderful new books. Thank you to our families that participated in the Classroom Wish List program and bought books for classroom teachers. New books for the classroom are always appreciated! A special thank you to the volunteers that helped at Book Fair. It would not have been as successful without the support of our fantastic volunteers who are always willing to help!

This month I had the opportunity to introduce the Sunshine State Young Readers Award books to the 3rd, 4th, and 5th grade students. Each year 15 books are selected as Sunshine State Books. The fiction books range in reading levels and genres. PTA has generously purchased sets of the sunshine state books for all 3rd-5th grade classrooms. I have additional copies in the library for students to checkout. In January we will use the 15 Sunshine State Books to have a school Battle of the Books. Students were introduced to the new Battle format and many are ready to compete! As we get closer to Battle of the Books I will send home more information. For now, I encourage all 3rd, 4th, and 5th graders to read the Sunshine State Books!

In October the Library Makerspace will open and I look forward to seeing classes for lessons in the computer labs and the library!

K-Kids is a student-led service organization for elementary school students. At Leila Davis students in 3rd, 4th, and 5th grades can participate in K-Kids. Throughout the year K-Kids will be organizing activities and events that your all Davis students can participate in. One of the most popular events is the pumpkin voting! Each year PTA and homeroom parents collaborate with the classrooms to decorate a

class pumpkin to display at Trunk or Treat. To determine the winning class pumpkin, K-Kids sponsors pumpkin voting. Students can bring in their spare change and vote for their favorite pumpkins. All money is donated to a local charity. At the October 22nd K-Kids meeting the students will be deciding where all of the money will be donated to this year!

The next K-Kids meeting will be October 22nd 2:45pm-4:00pm in the Media Center. For more information on K-Kids please contact Mrs. Scott (scottsha@pcsb.org) or Mrs. Willett (willetth@pcsb.org)

If you are interested in sponsoring a class or helping the library finish our library makeover, please see the front office or contact Dominica Reed at reeddom@pcsb.org for more information or sponsorship opportunities.

All Pro Dad's Day is an exceptional and fulfilling monthly event held at Leila Davis welcoming dads, along with all strong family role models, to spend quality time bonding with their children, strengthening their family relationships, along with building up an involved and dedicated grouping of families within the Davis Community. Come out and enjoy a welcoming breakfast together, discuss openly how proud you are of your kid(s), partake in character building exercises, explore some key parenting topics, and at the end of the meeting kids will even have an opportunity to win our monthly raffles.

We encourage our All Pro Families to join us at to our next All Pro Dad's Day Friday, October 19th at 7:45am in the school's media center, this month's topic will be "Reading". Reading with your child will broaden their imagination and encourage creativity, while also strengthening your relationship. To encourage the bond of reading between parent and child every kid in attendance will receive a free book courtesy of Scholastic.

Throughout the school year we will continue to meet every third Friday of the month for one hour, with a primary focus on influencing our children in truly significant ways, encouraging them to be well-rounded respected individuals, all while believing in themselves through the power of love and support of family. Your encouragement enriches your child's life, improves their grades, and fills their life with pride. You make a powerful impact!

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

School success goes hand in hand with good attendance!

DID YOU KNOW?

- Starting in kindergarten, too many absences can cause children to fall behind in school.
- Missing 10 percent (or about 18 days) can make it harder to learn to read.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Good attendance will help children do well in high school, college, and at work.

WHAT YOU CAN DO

- Set a regular bed time and morning routine.
- Lay out clothes and pack backpacks the night before.
- Find out what day school starts and make sure your child has the required shots.
- Introduce your child to her teachers and classmates before school starts to help her transition.
- Don't let your child stay home unless she is truly sick. Keep in mind complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home.
- If your child seems anxious about going to school, talk to teachers, school counselors, or other parents for advice on how to make her feel comfortable and excited about learning.
- Develop back-up plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Avoid medical appointments and extended trips when school is in session.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Counseling Program Mission Statement

To advocate for an environment that supports high achievement for all students and decreases barriers to learning, allowing students to become effective learners, responsible citizens, and productive members of a global workforce. In collaboration with other educators, families, and communities, our comprehensive school counseling program will maximize student potential and enable all students to experience educational success by providing preventative and responsive services in the areas of academic, career, and personal-social development to help students overcome challenges that interfere with learning and reach their fullest potential.

What Does An Elementary School Counselor Do?

The elementary years are a time when students begin to develop their academic self-concept and their feelings of competence and confidence as learners. They are beginning to develop decision-making, communication and life skills, as well as character values. It is also a time when students develop and acquire attitudes toward school, self, peers, social groups and family.

Comprehensive developmental school counseling programs provide education, prevention and intervention services, which are integrated into all aspects of children's lives. Early identification and intervention of children's academic and personal/social needs is essential in removing barriers to learning and in promoting academic achievement. The knowledge, attitudes and skills that students acquire in the areas of academic, career and personal/social development during these elementary years serve as the foundation for future success. (from the ASCA website <https://schoolcounselor.org/school-counselors-members/careers-roles/why-elementary-school-counselors>)

Classroom Counseling Lessons

Classroom lessons in the academic, career and personal/social domains are aligned with both the Florida Standards and the American School Counseling Association mindsets and behaviors. Topics taught in classroom lessons include: respect, responsibility, cooperation, citizenship, kindness, self-motivation, tolerance, honesty, self-control, growth mindset and career exploration.

Bullying Prevention Education

In compliance with Florida Statute 1006.147 (The Jeffrey Johnston Stand Up for All Students Act), Pinellas County Schools requires that all students receive bullying prevention education. In classroom guidance lessons, students learn the definition of bullying, strategies for preventing bullying, and what to do if they witness or are involved in a bullying situation. Mrs. Lofstedt is one of the staff members responsible for assisting with bullying investigations.

Individual & Group Counseling

Students who need additional support outside of the classroom setting may participate in individual or group counseling sessions with Mrs. Lofstedt. Counseling in the school setting is short-term and focused on helping students be successful in school. Counseling addresses a variety of topics which may include: social skills, appropriately expressing and/or handling emotions, communication skills, family changes, conflict resolution, goal setting, study skills, and test-taking skills

Parent and Teacher Consultation

Mrs. Lofstedt is available for consultation with parents and teachers to support the social and emotional needs of students. Consultation topics often include home-school relations, helping students achieve success personally, socially, academically as well as referrals to community agencies.

Positive Behavior

Leila Davis is a Positive Behavior Support school. Our students and staff adhere to the Guidelines for Success, also known as school-wide expectations. You will often hear us refer to these expectations as ROAR. We will continue to use Blue Notes as our reward system to reinforce students that demonstrate ROAR. Ask your child to share what they know about ROAR.

Clothing Assistance

Clothes to Kids provides new and quality used clothing to low-income, school-age children in Pinellas County, free of charge.

Requirements for Shopping at Clothes To Kids

(1) You must live in Pinellas County. (2) Your child(ren) must be school-age (4 year old PreK-12th grade) and attend a Pinellas County school. (3) Your family must be considered in financial need of assistance.

If you receive free/reduced lunch, call Clothes to Kids at 441-5050 to schedule an appointment. You will need your free/reduced lunch letter to shop.

If you do not receive free/reduced lunch but need assistance you may be able to receive a referral to Clothes for Kids from Mrs. Lofstedt (school counselor) or Mrs. Cohen (the school social worker). Once you receive the referral, you can call Clothes to Kids to schedule your appointment. Eligible children may shop twice in a twelve-month period (a referral is needed each time).

Bullying Policy: Reports and Investigations

The Pinellas County Schools Policy against Bullying and Harassment (Policy #5517.01) defines bullying as **systematically and chronically inflicting physical hurt or psychological distress** on one or more students and may involve but is not limited to: teasing; social exclusion; threat; intimidation; physical violence; theft; public humiliation; or destruction of property. **Three things that are generally present in a bullying situation are repeated behavior** (although it may be the first time you heard about or witnessed the behavior), **imbalance of power** between the person who is bullying and the victim of bullying (could be a physical imbalance or a difference in status), **and intent to harm** (either physically or emotionally).

Bullying reports can be made by students, parents, or staff members by completing the online reporting form found at <http://bullying.pcsb.org>. Any report of bullying that occurs at school or at a school-sponsored event must be investigated. Investigation must be completed within ten school days. Parents of all students involved will be notified of the investigation as well as the outcome (either substantiated or unsubstantiated). Additional information about Pinellas County Schools' bullying policy is available at <https://www.pcsb.org/page/3651>

Pack-A-Snack

This program is offered through Pinellas County Schools and a community partner. Your child is eligible to receive a bag with healthy snacks in it every Friday. The food is provided to you at no cost.

If you choose to enroll your child, he/she will receive a bag with some healthy snack sized items every Friday for the weekend. All of the food is nutritional and non-perishable, and will not have to be cooked or prepared.

If you have any questions about this program please feel free to contact Vanessa Lofstedt, School Counselor at (727) 725-7972 x2010 or lofstedtv@pcsb.org.
