

## Post results check and appeals

New Service	Service Number	Description	Fee
Review of judgement	PRC1	A review of the judgements made in the statistical standardisation of syllabuses assessed for the first time at this level in the June 2020 exam series <sup>1</sup> , including a check that the statistical standardisation calculation has been applied correctly, and a report.	\$427.86
Non-standard entry profiles	PRC2	Where a centre has a non-standard entry profile, because of a changed entry policy, you can ask us to review the way we have calculated candidates' grades. This service includes a check that the statistical standardisation calculation has been applied correctly. To be able to use this service, you must meet the criteria set out in the 'Post-results check service 2: non-standard entry profiles' section, and the appendix, of the Post-results checks and appeals supplement for the June 2020 series.	\$427.86
Non-standard entry profiles	PRC2	If a school's explanation for a non-standard cohort is not accepted by us after our first review, we will carry out a check on our application of statistical standardisation to centre's cohort.	\$213.93
Statistical standardisation calculation check	PRC3	A check that the statistical standardisation calculation has been applied correctly.	\$76.88

Appeals against post-results check outcome: Stage 1 .....\$256.47

Appeals against post-results check outcome: Stage 2 .....\$307.52
