## **SAC Meeting Minutes**

### **Meeting called to order – 6:07pm**

- **Motion to approve prior meeting minutes**
- **Orlando A. – motion, Frances M. – 2<sup>nd</sup>, motion carried, minutes approved**

### **Principals Report:**

#### **School choice**

- (Brick and Mortar, e-learning, Pinellas Virtual) - a net number of 188 students will return in brick and mortar and 38/39 (approximate) are choosing to leave brick and mortar and do mypcs online.
- School plans to bring students back incrementally to ease the transition of adding another close to 200 students back in. The culture and overall understanding of safety, health and wellbeing is understood and want to have an opportunity to ease the new students back in to not disrupt that. People are pleased, masks are being worn and kids are being respectful.
- Students getting 10 min breaks for snacks is working well.

#### **Testing**

- A lot of testing will be coming up. 11<sup>th</sup> grade for FSA as a graduation requirement, PTSA (10/14/2020), ACT for congruent grades to graduate (goal will be to get to <40 students still requiring the score by January to be on track with years past)

#### **Student Grades**

- Canvas and FOCUS are not communicating as well as expected and this is resulting in some grades showing up in one place and not the other. As well, teachers are using the platforms differently so the best thing to do is ask the teacher where you should be checking to keep up with grades and assignments. Everyone is understandably frustrated.

#### **Sports**

- Volleyball semifinals week of 10/13/2020 – win puts us in championship (4 seniors who have played for 4 years)
- Soccer Tryouts 10/13/2020
- Football is happening, no COVID cases

### **New Business:**

Parent Comment (Orlando A.) – has a concern with the duality of the in person and virtual learning experience and its effectiveness and appreciates the schools willingness to hear parent concerns and provide communication on how to address these concerns.
