Principals Report:

School choice

- (Brick and Mortar, e-learning, Pinellas Virtual) - A net number of 277 students returned to brick and mortar. Students slowly integrated over 10-day period. Virtual/ Video assembly like students had at the beginning of the school year. Overall, smooth transition. Lunch and snack lines need to adjust. Component of the success is that teachers did not change for students that were returning.

Sports

- Now at 35% attendance and expecting to move to 50%
- Online ticket sales working well and are convenient
- Soccer, basketball and wrestling are about to start. Volleyball team was defeated in the semifinals

Courtyard

- Approval to move forward and architect hired
- Expecting complete job to include: new tables, new benches, new cement, new landscaping, outdoor amphitheater which could facilitate performances/ shows/ activities
- Next step is surveying, with goal for project completion by end of the school year
