SAC Meeting Minutes

Meeting called to order – 6pm

Review prior meeting minutes and motion to approve prior SAC meeting minutes

- Motion made – Chris Rogers
- Motion 2nd – Jim Williams
- Motion Passed – minutes approved

Principals Report:

- Recommendation made to join PTSA as a means of being involved
- Shared a core function of SAC is to discuss items as they pertain to the School Improvement Plan (SIP), distilled version printed and shared
- Focus for the school: **Individual Student Achievement**
- Passion/ Goal for Dixie/ Florio: being the best public High School in Pinellas County
 - 17 Public High Schools in Pinellas County
 - Being the best is assessed by the State Accountability System
- Intentional work is being done to help students strive to achieve where they can't easily see the opportunity
 - Administration and staff are working to change the mindset of "I Can't"
- Of the current year's Freshman class, half had underperformed on the reading FSA
- A Professional Learning Community (PLC) created to overcome obstacles and gaps in student performance.

This allowed:

- Teachers to collaborate and grow together where they can prepare ideas for next level of learning.

This required:

- A general understanding that tests are long and hard and many students give up at the point of exhaustion and the need to solve for that.

Solutions include:

- Positive Behavior **Intervention** Support (PBIS)
 - One way for positive reinforcement was distribution of Dixie Dollars that students can use in the general store, the express lunch line or in the upcoming student center
- Student Center will be...
 - Similar to what is found on many college campus'
 - Hope to open in the next few weeks
 - Will have Senior privileges on Friday's
 - Include space to host community meetings (**rentals**)
 - Have concessions available
- Grading Policies, what are we doing to help our students?

What we know:

- Student standardized tests see a decrease from 5th to 6th grade, 8th to 9th grade. Attributed to a change in environment. Concurrent scores (what the State says is needed to pass)
- Once grades are in, they are finite
- The pressure to perform/ improve builds each time the student takes/ retakes the test

What we offer:

- Suggestion/ recommendation for students to attend ELP to receive additional time, attention, tutoring to help where it is needed

Unfinished Business: None

New Business: SAC Funding Requests
