## **SAC Meeting Minutes**

### **Meeting called to order – 6:03pm**

- **No prior meeting minutes to approve**

### **Principals Report:**

- A significant amount of time spent on the planning and execution of the virtual graduation and making the end of year special for the seniors – which we were able to achieve. As well as the planning for return to school for the current year.
- The Hollins High School website will continue to be the place, outside of the Principals call for updated meeting information and important dates. <https://www.pcsb.org/Page/209>
- Mr. Florio discussed the Schoolwide Improvement Plan (SIP)\* and shared documentation for further review by attendees should future questions be had they can be discussed at a future meeting. High level outlines were shared for Instructional Practice specifically relating to: ELA, Math, Science, Social Studies and Career Readiness.

*\*(not from meeting but provides context to discussion) Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).*

*Purpose of the SIP: The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.*

- School name did not change but how the school was referenced has changed to be more in line with how schools that are named after people are referred. The process involved getting the blessing from the Hollins family, specifically the grandson of the founder Dixie M. Hollins who was in agreement and understanding.

## **SAC**

The goal of SAC is to provide feedback to a number of school improvement initiatives and to work with the principal to make sure the school is constantly making progress.
