All in favor.

Principal's report:

- . FAST testing just ended for ELA. Need to test 95% to get quality data/ results. Met the 95% as of 12/13/2022.
- The graduation ceiling has been raised and if we graduate all of the possible kids we will reach 98% - which is huge and means that we have lost less due to drop out than in the past.
- Graduation is set for Monday, May 15th, 2024, at 7:30am.
- Need more stakeholders to complete the annual stakeholder survey. The survey can be found on our district webpage at www.pcsb.org/survey and can only be accessed once per device.
